Macios, Hall GC Victors; Boyer Takes Madison Post

Relatively heavy school voting was tallied Saturday in the Granite City and Madison districts as Quad-Cityans elected two new board members and five incumbents.

Granite City District Nine winners were incumbent Carl Macios, with 1,412 votes, and a new board member, Norman W. Hall, 1,189. Robert Crider did not seek re-election.

Madison District Twelve voters were Harold T. Fisk, an incumbent, 1,049; Donald R. Boyer, newly elected, 1,047; and incumbent Chester L. McManaway, 990. Incumbent Sherrell Byrd lost with 317 votes.

Venice District Three winners were two unopposed incumbents, Mrs. Jacqueline Leatherman, 165, and Richard Bailey, 161.

Voting turnouts totaled 3,629 in Granite City, 1,377 in Madison and 175 in Venice. The three school board reorganizations are set for tonight in Venice, Thursday in Madison and next Monday, April 23, in Granite City. Macios, the current Granite

City Board of Education president, led at ten of the 16 precincts. Hall led at Niedringhaus, Maryville, Nameoki, Mitchell and Stallings Schools, while Boyd Presley led at Logan School.

Both Macios and Hall reside outside city limits. Their election increases to three the number of rural members.

At least two of the seven on the board must reside outside the urban area; there is no limit on rural members.

Grand totals in addition to Macios' 1,412 and Hall's 1,189 were: Presley 799, Cecil E. Williams 659, James C. Hinson 573, Charles L. Rudder 380, Richard T. Fry 333, Jack P. Solberger 346, Elvin L. Hoekstra 272 and George J. Diak 261.

Macios, 38, of 78 Cambridge Drive, is a McDonnell-Douglas Corp. cost engineer. He has been a school board member since 1966 and was elected this month as assessor of Nameoki Township. Hall, 40, of 4630 Maryville

Road, is Illinois Power Co. sales supervisor here.

In the Madison district, newcomer Boyer led at Madison Junior High School and Harris Grade School, and Byrd had the most votes at the Blair and Dunbar School precincts. Boyer, 36, of 2057 McCasland Ave., a television technician, totaled 1,047 with 398 at the Junior High, 604 at Harris, 35 at Blair and 10 at Dunbar.

Fisk, 54, of 1124 Iowa St., a Granite City Steel Co. control specialist and the current Madison school board president, totaled 1,049 with counts of 394, 800, 33 and 22 at the same four precincts. He has served on the board for six years.

With 376, 385, 16 and 13, McManaway received 990 votes. He is 38 and resides at 1693 Second St. McManaway operates a real estate and insurance agency and has been on the school board 18 years, currently holding the office of secretary.

Byrd, a member of the board for three years, totaled 317 with 44 at the Junior High, 37 at Harris, 182 at Blair and 54 at Dunbar.

Ballots numbered 446, 654, 203 and 74 at the same four locations.

Venice High School ballots totaled 127 Saturday, with Mrs. Leatherman, of 1411 Third St., receiving 122 and Richard Bailey, 48, of 223 Hill St., getting 112. There were 48 ballots at Eagle Park, with Mrs. Leatherman receiving 43 and Bailey 45.

Bailey, a Granite City Army Installation employee, has been on the Venice board since 1968. Mrs. Leatherman has been serving an unexpired board term by appointment.

Ballots numbering 3,629 in the Granite City community unit district consisted of 134 at Precinct One, McKinley School; 60 at Two, Lake; 244 at Three, Washington; 114 at Four, Logan; 120 at Five, Emerson; 177 at Six, Webster; 576 at Seven, Marshall; 549 at Eight, Niedringhaus; 458 at Nine, Frohardt; 262 at Ten, Maryville; 165 at Pet. 11, Wilson; 433 at Pet. 12, Nameoki; 273 at Pet. 13, Parkway; 128 at Pet. 14,

Municipal, Park Voting On Tuesday

By HARRY BARNES Press-Record Staff Writer

Quad-City area voters will go to the polls again tomorrow, this time to elect city and village officials in Madison, Venice and Pontoon Beach. Two members of the Granite City Park Board also will be elected. Polling places will open at 6 a.m. and close at 6 p.m. in the 13 polling locations that will be open in all four separate elections.

Madison voters will elect eight city officials; seven

officials will be elected in Venice and five village board members will be elected in Pontoon Beach. Tuesday's elections will be the third time in three weeks that voters have gone to the polls to elect city, township, school board officials and park district officials.

A total of 12 candidates running on separate tickets are seeking the seven offices open to election in the City of Venice, while in Madison there is no opposition for any of the eight offices to be filled there.

In Pontoon Beach, two tickets of five candidates each are competing for five offices. In the Venice election, voters will elect a mayor, a city clerk, city treasurer and four ward aldermen.

Six incumbent city officials and a newcomer in the political field make up the Citizens' Improvement Party ticket on which Mayor Lee is seeking re-election as mayor.

William "Mike" Ebersoldt, incumbent clerk, also seeks re-election on that ticket, while Henry Baucum, now alderman of the Fourth Ward, is candidate for city treasurer.

Incumbent Aldermen Harry Buente of the First Ward, Hank Svezia of the Second Ward and John Ervin of the Third Ward are candidates for re-election on the Citizens' Improvement party ticket, while the newcomer is Tyrone Echols, seeking election as alderman of the Fourth Ward, the seat vacated by Baucum to make the bid for the treasurer's office.

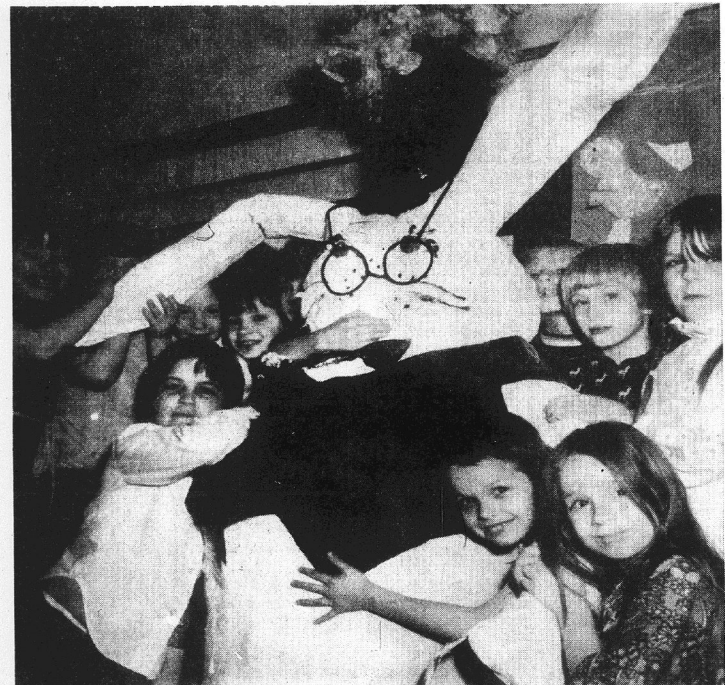

Opposing the incumbent Venice officials is the Independent Party, a ticket headed by Willie Walker as a candidate for mayor.

That ticket includes only two candidates for aldermen in the Third and Fourth Wards — leaving the First and Second Ward seats to Buente and Svezia without opposition.

All of the candidates on the Independent Party ticket are residents of North Venice. In addition to Walker, who is a member of the Madison Board of Education, the ticket includes Booker Washington as candidate for city clerk, Henry Fletcher for city treasurer, Howard Silas for Third Ward alderman and Vernon Wilson for Fourth Ward alderman.

6 Known Sewer Breaks

A new series of breaks in sanitary sewer lines in the Nameoki area is plaguing the Granite City Street Department, which has encountered six known breaks and two suspected breaks during the past month, it was reported Friday. City Street Superintendent Lionel Portell said that repairs to the breaks have been impossible because of a high water table which fills the excavations as workers attempt to reach the broken lines.

The situation is so critical, Portell said, that the "only right way to correct the problem would be to rebuild the sewer lines in the entire affected area."

March have been unsuccessful so far, even with the use of "well points" driven around the break, Portell said. That break is located near Johnson Road about 200 feet behind St. Elizabeth school which is served by the broken line. Two additional breaks have developed in that same line, Portell reported, and an additional break has occurred in that area in an easement on Jill Avenue between Aubrey and Wayne Avenues.

Newest breaks developing last week are apparent because of a settling manhole on Johnson Road just south of Pontoon Road and a sinking area in an easement on Oaklawn at Terrace Lane, Portell said.

The two suspected breaks include one in back of the Nameoki Recreational Center on Franklin Avenue and one in a separate line extending in front of the recreational building. Portell said that the sewer lines in the Nameoki area are about 12 or 13 feet underground, but workers strike the water table at about eight feet, making it impossible to reach the broken lines until the water can be pumped from the areas around the breaks.

Use of a 1,000-gallon per minute pump in an effort to dewater the area around the break in the St. Elizabeth School line had no effect whatever on the water level, he added.

The street department then

resorted to the use of about 40 well points rented from an Oklahoma City firm under authority granted by the City Council. About 40 of these points were driven to a depth of 20 feet around the break on the school line, and attached to a suction pump. So far that effort has been only slightly successful, dropping the water table about one foot.

Portell said he plans to use more powerful suction pumps. Use of the well points is the only possible solution of the problem at this stage, he explained.

The situation is similar to that of three years ago when a series of sewer breaks, also in the Nameoki area, cost the city more than \$1 million in repairs.

FIRE DAMAGES CAR

Fire caused an estimated \$300 damage to the instrument panel of the auto of Bill Pritchard, 2404 Cardinal Ave., on Carگی Road by the Corn Sweeteners, Inc., grain elevator, at 10 a.m. Saturday. Long Lake volunteer firemen extinguished the fire.

\$295 Million Area Valuation

Property valuations totaling \$285,812,560 in the four townships of the Quad-City area for the 1972 tax year—a reduction of \$5,085,285 below those of the previous year—have been extended by the Madison County Board of Review and certified to County Clerk Eulalia Hotz.

The new assessments include a property valuation of \$189,036,975 for Granite City Township, a cut of \$6,558,360 or 3.5% below the 1971 values.

The reduction in Granite City, which amounts to more than the total reduction for all four townships, was offset partially by assessment increases in Nameoki and Chouteau Townships.

Venice Township also received a decline in its 1972 assessments of \$1,847,635, continuing a year-by-year reduction in values over the past ten years. The Venice Township assessment was set at \$56,614,320, down from \$58,463,975 a year ago. This is a cut of 3.1%.

New assessments for Nameoki and Chouteau Townships are \$41,750,150 and \$28,401,630, respectively. Nameoki's valuation is an increase of \$1,575,050, or

3.9% over last year's valuation of \$40,175,100.

The 1972 assessment of property in Chouteau Township is up \$1,735,680, or 6.4%, over last year's valuation of \$26,675,150.

The overall assessment for the four-township area of \$285,812,560 is a drop of 1.6% below the area total of \$300,997,560 a year ago.

The new Quad-City area valuations are included in a total Madison County assessment of \$977,038,789 for the 1972 tax year, a drop of \$555,700 below the 1971 values of \$977,594,480.

Miss Hotz said the abstract of the countywide property valuations has been sent to the Illinois State Department of Local Government Affairs which will evaluate the assessments and certify a multiplier figure to her office.

She noted that Madison County has had a multiplier of one since 1958 and that it is hoped a freeze on multipliers announced by Gov. Dan Walker will apply in Madison County this year. All assessments fixed locally must be multiplied by the multiplier figure.

In addition to the local assessment, the multiplier figure will be used to determine the state tax. Continued on Page 4

Armed Robbers Take \$1,017 in Drive-in Holdup

Two armed robbers escaped with about \$1,017 in a holdup at McDonald's Drive-in, 1515 Johnson Road, it was reported at 10:05 p.m. Sunday.

Richard Magary, restaurant manager, told police that he and another employee were in the back of the restaurant when two men suddenly entered through the rear door while Magary was talking on a telephone.

One of them said "Get off the phone and open the safe," the manager said, adding that he complied.

The man then asked, "Is that all of it?" The answer was affirmative and the bandits left through a rear door and entered a cream-colored auto.

A call was received a short time later that the robbers entered an auto occupied by two women, but no identification of the caller or the details were obtained, the report said.

Magary said that one of the men displayed a small pistol and the other had a sawed-off shotgun.

One robber was described as being 6 feet tall, with dark brown collar-length hair and wearing a light jacket and trousers. The other was described as being 5 feet, 8 inches tall, with brown hair and wearing a blue nylon jacket. Both had pimply faces.

Expirations Changed On Gun Registrations

Expiration dates on firearm owners identification registrations have been changed to the month of the first birthday following the expiration date now printed on the cards, it was announced by Harvey N. Johnson Jr., director of the Illinois Department of Law Enforcement.

New applications will be required along with a recent photograph and \$5 remittance. The old identification number will be reassigned on all renewal registrations.

Renewal applications will be accepted about 60 days prior to the changed expiration date. The old identification number must be recorded on the application form, Johnson said.

New identification cards will be issued. The old card will remain valid until the new card is received and then it should be destroyed. Old identification cards will be automatically canceled if renewal applications are not submitted.

Application forms are available at police departments, from city clerks and at sporting goods stores.

Konzen Placed on Governing Board Of Hospital Here

The Governing Board of St. Elizabeth Hospital has voted unanimously to accept Leo H. Konzen as a member of the board.

Konzen, Lay Advisory Board immediate past president, has been a member of the hospital's Lay Advisory Board since April 1969 and will continue his membership on that board.

He has served in a number of capacities and is presently chairman of the Lay Advisory Board's Community Relations Committee.

Attorney Konzen is a member of the Granite City law firm of Luaders, Robertson and Konzen.

A. O. Smith Reports Best Quarter in Firm's History

Milwaukee — First quarter sales and earnings of A. O. Smith Corp. were the best of any quarter in the company's history, L. B. Smith, chairman and chief executive officer, reported Thursday.

Smith said sales reached \$156,411,000, up 25% from the \$125,498,000 reported in the first quarter last year.

Profits were \$5,334,000, or 92 cents per share, compared with \$4,183,000, or 85 cents per share, a year ago.

Smith said profits would have been about 20 cents per share higher except for continuing labor problems in the company's elevator business.

Industry-wide strikes by elevator construction workers cost the company about 12 cents per share in the first quarter, Smith said.

In addition, the company's Canadian elevator subsidiary is carrying its losses forward for tax purposes, reducing earnings by another eight cents per share. When that subsidiary returns to a profitable position, eight cents per share will be recovered, Smith said.

Smith said demand for the company's automotive, electrical, and agricultural product lines was at extremely high levels during the first quarter, with several plants operating at full capacity for the period.

A. O. Smith, with its subsidiaries, is a widely diversified manufacturer of electric motors, electrical controls, meter systems, auto and truck motors, agricultural feed storage and handling systems, water heating equipment, elevators and other products.

The board of directors on Thursday declared a regular quarterly dividend of 18.4 cents per share of common stock, payable May 15 to shareholders of record April 30.

There are 4,928,099 shares.

\$75,000 Suit Filed In Rail Yard Mishap

A suit for \$75,000 has been filed for Billy Lee Carman against the Norfolk & Western Railroad in Madison County Circuit Court as a result of injuries received in a mishap.

The complaint alleges that on April 16, 1972, he was employed as a carman in the Brooklyn yards where he was attempting to straighten a pin puller and struck his leg with hammer, causing permanent injury. Negligence was charged.

Stack Honor Graduate At Quartermaster School

Daniel Joseph Stack, 22, son of Mr. and Mrs. James Edward Stack Sr., 3029 Iowa St., was an honor graduate at the Army Quartermaster School at Fort Lee, Va.

He recently completed his military service and now is employed in the circuit court system at the courthouse in Edwardsville. He is a graduate of Assumption High School, received a bachelor of arts degree at St. Benedict's College, Atchison, Kan., in 1972, and is planning to attend law school.

JUVENILES ARRESTED

Two Madison boys, ages 9 and 11, were arrested by Madison police at the Fina service station, Edwardsville Road and McCambridge Avenue, at 12:15 a.m. Friday after they allegedly broke a window in a garage door and entered the garage.

Madison and Madison County juvenile authorities were notified of the incident.

Mrs. Helen Fischer Dies at Hospital

Mrs. Helen E. (Nenninger) Fischer, 47, of 213 North Seminary St., Collinsville, a former Granite City resident, died at 5:20 p.m. Friday at St. Mary's Hospital in East St. Louis. She had been ill 1 1/2 years.

Mrs. Fischer was born in Muskegon, Mich., and moved to Granite City as a small child. She resided here until 1947 when she was married to Paul A. Fischer and moved to Collinsville. He survives.

She was of the Catholic faith. Other survivors are a son, Dennis P. Fischer of Collinsville; a daughter, Miss Linda K. Fischer of Collinsville; two brothers, George and John Nenninger, both of Granite City, and a sister, Mrs. Joe (Dorothy) Range of Lincoln, Neb.

Red Cross Volunteers Among Those Braving Wind, Rain in Flood Fight

By VALERIE EVENDEN
Press-Record Staff Writer

It's sort of scary with the wind and rain howling around and you can see how close the water is getting to the top of the levee," a Red Cross worker said as he recounted some of the experiences on flooded Chouteau Island while engaged in flood relief there.

"You wouldn't believe the quantity of food and hot drinks we served in those first few days. Nor, the wonderful co-operation we received from store managers and the numerous offers of assistance from individuals and families," Mrs. Mildred Meehan, Red Cross office secretary, reported.

As chartered by the United States Congress, the chapter representative American Red Cross chapter is called upon as the official agency responsible for the care, feeding and housing of displaced persons and workers in the event of a large-scale disaster or emergency situation.

In the local area it was the Tri-City Red Cross Chapter, which responded quickly to the flood emergency here.

Within a few hours of being notified Thursday, March 29, that their services were urgently needed, the Tri-City Red Cross Chapter had representatives at the flood site, providing hot sloppy joe sandwiches made by volunteer Ruby Winters and served in the cold and rain by Mrs. Winters and Mrs. Helen Matson, another volunteer.

"We easily distributed over 11,500 sandwiches made by ourselves during the emergency period, plus 2,000 sandwiches furnished by the St. Louis Red Cross and 1,500 from the Alton Red Cross Chapter," Mrs. Meehan said.

Additionally, the Red Cross worker said, the congregation of Third Baptist Church in Granite City contributed 200 sandwiches, and was the first group to offer its help.

Quantities of cakes, pies and salads also were brought to the emergency feeding station by members of the Assembly of God Church in South Roxana.

Apart from purchasing 720 pounds of cooked, sliced meat,

enough to make 10,500 sandwiches according to the supplier, the chapter bought 450 pounds of fried chicken and ingredients to make 20 pounds and more of sloppy joe mixture.

Gallons of hot coffee were consumed by the volunteer workers who frequently were drenched by the rain and whose feet were soaked from the rapidly rising water along Chouteau levee. Close to 5,000 cups of the hot brew were dispensed in the first few days.

Many of the volunteer sand-baggers were young people—high school and college age youth—not all coffee drinkers, Mrs. Meehan said.

"For the crews of young workers we made up gallons of Tang and lemonade, and Mr. and Mrs. Harold Fisk made 10 gallons of chocolate milk. This went over well with a lot of the kids, who were burned out on coffee," she added.

Several hundred dozen doughnuts were devoured by the hardworking volunteers.

In addition to the vast quantity of doughnuts purchased by the Red Cross chapter, 50 dozen were donated by an unidentified person and 900 doughnuts were sent down here by the Alton Red Cross.

"The Willard family brought us homemade cakes and brownies and some cooked food and pastries were delivered to the flood site by Nelson Hagnauer," Mrs. Meehan said.

One particular family fighting hard to save its new home and farm property was accorded high praise by Red Cross personnel at the flood scene—the Worley family.

Despite the prospect of immediate inundation of their house, already surrounded by mud and water and adjacent to the worst leakage fissure in the levee, Mrs. William Worley and her daughter were found cooking in the home for the flood fighters, at their own expense.

Mrs. Worley agreed to represent the Red Cross the first day and night and the truck she was driving up and down the levee was used to transport the food until a mobile unit arrived here from the Peoria Red Cross Chapter.

Although encouraged to charge food items she was using to the Red Cross, Mrs. Worley at first refused. Later, when volunteers arrived in ever-increasing numbers she finally agreed to buy some items charging them to the Red Cross account, Mrs. Meehan related.

The office secretary speculated, however, the amount Mrs. Worley said she purchased in food, totaling \$31, was a mere fraction of the overall expenses contributed by the family to the relief effort.

The Red Cross volunteers worked outside in the wind and rain along with the levee crews until relocating their aid headquarters in the water pumping station where electricity and other facilities were available.

Mrs. Carlita Fox, wife of David Fox, Tri-City Red Cross chapter chairman, assisted by Mrs. William (Routts) Down, organized volunteers to work in the canteen facility.

"Mrs. Fox did a marvelous job," the Red Cross worker said. "She would schedule the volunteers as they called in making sure someone always would be on duty."

"I think the community should be proud of the way these folks responded and also our first aid people who willingly stayed around-the-clock practically the whole time," Mrs. Meehan said.

Mrs. Maxine Duniphan, Red Cross first aid chairman and a qualified instructor, was responsible for scheduling the first aid volunteers.

Firemen and policemen trained in first aid were at the scene, but also men from industrial plants and Girl Scout leaders.

Mrs. Meehan said one man wearing a hard hat emblazoned with a first aid "multimedia" patch said he was from an industrial firm and had been trained by Clifford Duniphan, a Red Cross instructor.

Apparently, there were no serious injuries to anyone during the flooding period, but a number of volunteers were treated for minor complaints, Mrs. Meehan said.

"Everyone pitched in—store managers opened their stores to us after hours and on Sun-

PLAQUE PRESENTATION by Nelson Hagnauer, right, Granite City Township supervisor and chairman of the Madison County Board, to William "Bill" Warfield, in recognition of Warfield's eight years service as chairman of the Granite City Democratic Committee. Warfield retired in April 1972 after serving in that position since 1964.

day (National Food and Kroger store).

"Ed-Ray filled orders for us after hours," Kenny Black (Black's Bakery) baked 50 dozen buns in a hurry and then let us have the balance of his stock when we needed more that day. He also donated bakery goods to us later on," she said.

Miller Provision Co. bore the brunt of the hurry up business, Mrs. Meehan said, adding "So did Eureka Cline when we had to have coffee at crazy hours."

Even at the early stages the Red Cross workers were feeding between 100 and 150 people around-the-clock.

David Fox coordinated the relief effort and Wayne Banks and Bob Moore were among the men who spent entire nights at the levee to supervise the canteen.

"Jim Barton, a former chapter chairman, stayed 35 consecutive hours when we really needed help," Mrs. Meehan said.

Gus Sacadat, Red Cross disaster chairman, arranged with the Baptist Church in Mitchell to provide shelter facilities should they be needed. Civil Defense Director Victor H. Koe made arrangements for cots and blankets to be made available.

Every item provided by the Red Cross was furnished with out charge, Mrs. Meehan stressed, noting that at least \$2,000 was expended by the chapter during the emergency period.

"Merchants cooperated with us by letting the chapter charge items and all went out of their way to work with us—some giving us food items at cost or at reduced prices," the Red Cross worker said.

Among the business firms assisting the Red Cross were A&J Market, A&P Grocery, Black's Bakery, Bellemore Bakery, Cline's Restaurant, Ed Ray Foods, Farm Fresh Dairy, Dule Food (Standard gas), Gateway North (Skelly), Kentucky Colonel, Kroger Store, Miller Provision, Mr. Doughnut, National Food Stores, Progas, Schermer's Market and Viviano's Tom Boy Market.

ICE BALL VANDALISM
Harold Dix, 2448 Delmar Ave., reported at 8:35 p.m. Thursday that as he was driving south on Benton Street at Michigan Avenue the right side window of his auto popped out. He saw water on the side of the car indicated some youths could have obtained an ice ball from the Wilson Park ice rink nearby and thrown it against the window.

Illinois Ethics Act Legislation Drafted

By RAY SERATI
Copley News Service

Springfield — Legislation will be facing the 79th General Assembly designed to make some changes in the present Illinois Ethics Act.

A bill is currently being drafted that requires public officials to make reports of loans and liabilities. This would be made along with the filing of statements of economic conditions.

The legislation is expected to be sponsored in the Senate by Sen. John B. Roe, R-Rochelle. Similar legislation is being sponsored by Rep. Joseph Lundy, D-Chicago. However, Lundy's legislation also calls for some pilot campaigns in various districts.

Illinois' Ethics Act became effective last year. It was sponsored in the General Assembly by State Comptroller George Lindberg of Crystal Lake. At that time Lindberg was a member of the House of Representatives.

Many legislators during last year's campaign voluntarily disclosed their assets and liabilities. On the state level former Lt. Gov. Paul Simon disclosed

his assets and liabilities. Prior to that, when Simon was a member of the legislature, he did the same thing.

Just how much support such a plan will have in the General Assembly isn't quite determined. For instance, the House has already turned down a bill which would require campaign spending disclosure. That measure was sponsored by Rep. Philip Collins, R-Calumet City, and House Speaker W. Robert Blair, R-Park Forest. The bill got only 15 votes with 88 needed for passage.

But there are indications that Collins and Blair may try to revive the measure.

When Lindberg first proposed the ethics legislation the disclosure section was included before the measure came up for final passage.

The assets and liabilities disclosure section was eliminated during a conference committee session over Lindberg's bill. Lindberg protested the action.

This undoubtedly will be the first of several attempts at which some say are efforts to plug the loopholes in Illinois' Ethics Act.

March Births, Deaths Outlined in Report

A vital statistics report released this week by Robert W. Stevens, clerk of Granite City, shows that 86 births, 128 deaths and one fetal death were reported here during March.

The number of births was the highest since 1961 in December. A total of 70 births was reported here in January and 73 in February.

The total of 229 births in the first three months of this year; lags behind the 258 born here in the same period of 1972.

A total of 128 deaths has occurred here through March 31, stating 47 in January, 39 in February and 42 last month. The total for the same period last year was 166.

Four fetal deaths have been reported in 1973 including two in January and one each in February and March, equal to the four reported in the same period last year.

DeMolay Officers to Be Installed Tuesday

State DeMolay officers will install A. H. "Tim" Noud as master counselor and other elected and appointed officers of the senior and junior lines of the local James Stuart Chapter in public ceremonies at 7:30 p.m. Tuesday at the Masonic Temple.

Among the state officers will be Dan Loscher of Peepot, master counselor, and Chuck Hileman, past master counselor. The installation will be followed by two hours of dancing with music by the Four Seasons.

Members, officers and candidates will participate in initiation and DeMolay degrees for chapters in District 16 Wednesday at Alton. It will be the Harry S. Truman Memorial Class.

CHARGE THEFT OF AUTO

A 16-year-old Venice boy was charged with auto theft after the car he allegedly was driving struck a tree on Slough Road near Garner Road in Venice during a police chase Thursday.

The juvenile fled from the auto after the accident but was found hiding nearby. The auto had been stolen in St. Louis and the ignition and trunk locks had been damaged.

2 Area Men Indicted In Godfrey Burglary

Allen Holstford, 2946 Edwardsville Road, Madison, and Alvin Holstford, 2128 Missouri Avenue, were charged with burglary April 6 at the Morrisey Corp. in Godfrey by the Madison County Grand Jury which returned four indictments Thursday afternoon. They were released on \$7,500 recognizance bonds.

A 16-year-old Maurice Horton, East St. Louis, on a charge of theft of two video tape recorders and four television camera units at Southern Illinois University at Edwardsville last Sept. 1, was released on \$250 bond.

In other criminal court action, Clement West, 25, of the Alton area, formerly of Venice, was sentenced to a term of six to 12 years at Menard State Prison after he was found guilty by a jury of armed robbery in Alton about six months ago.

assessments, the state has certified to the county clerk a valuation of \$4,555,000 on capital stock (an increase of \$1,047,800) and an assessment of \$4,887,874 for railroad property (an increase of \$1,184,259).

These valuations will be added to the local assessments in the determination of tax rates and the extension of taxes.

Madison County failed to reach the \$1 billion mark in overall assessments this year due to a cutback of \$18,467,015 from the total assessments fixed by the township assessors.

On the basis of assessments certified to the review board by the local assessors, totaling \$985,505,785 in 1972 assessments had been expected to exceed the \$1 billion mark this year after capital stock and railroad assessments were added.

The Board of Review, however, cut the local assessors' total of \$985,505,785 on assessments of lots to \$478,261,540, a reduction of \$15,301,735. The board also trimmed the local assessors' figure for personal property by \$252,965, and the assessments on lands by \$2,912,315.

The total assessment of railroad property remained unchanged at \$745,135.

This year's assessment fixed by the Board of Review totals \$977,038,780, compared to the total of \$995,505,785 set by the county's 24 local assessors.

WOMAN QUESTIONED

Madison police have questioned a woman and an investigation is continuing into the cushioning of a stolen and forged \$84 unemployment check at Schermer Brothers Market in Madison which was reported at 1:15 p.m. Thursday. A security photograph taken when the check was cashed showed a woman similar in appearance to the woman arrested officers say, but the suspect insists she has a twin sister.

Price Offers Bill on Teacher Retirement

Cong. Melvin Price (D-East St. Louis) has announced his sponsorship of a bill called the Mobile Teacher Retirement Assistance Act.

"This Act," said Price, "provides for a consistent improvement of education by removing the problem of portability of teacher pensions."

Teachers who move from one state to another do not have the opportunity to preserve their retirement credits. "We are faced," Price said, "with an interstate problem which we need to resolve. Each year thousands of teachers approach retirement only to find that they do not have a substantial income to face their retirement years. This problem then becomes one in which the Federal Government must attempt a solution."

"The absence of portability restricts the educational opportunity of children by unquestionably depriving them of teachers with varied backgrounds and expertise who may utilize the educational process."

The lack of portability of teachers pensions raises the prospect of having to find resources at some future date to provide for the retirement years of these teachers who have been prevented from making such provisions for themselves during their active working years," Price commented.

"This legislation attempts to deal with the problem and marks genuine progress in our efforts toward educational opportunity and pension reform in the United States," Price concluded.

Warriors Take 3 of 4 Contests

Granite City High School's Warriors baseball team won three out of four games during the weekend to bring its record to 8-2 for the season.

The Warriors sneaked by Breese Mater Dei 3-2 on the road Thursday, were blanked by Cahokia 3-0 here Friday and defeated St. Louis University Granite City managed only two hits, both by Ashby, and committed one error. Tim Burns won all the way on the mound.

In that long first game Saturday at 5-5 and nothing happened until the last of the 12th inning when Warrior Steve Ashby and Mike Stanton singled, Frank Stroehmer was a intentionally walked and Mike Mudd scored.

Ashby and scored three runs, John Serlich was the winning pitcher, Mark Boone hurled the first out on an error with one out and was singled home by Champion.

In the third Mudd scored an unearned run on a fielder's choice.

The other Warrior run came in the fifth inning as Petri led off with a single, Martinez singled him to third and Ashby singled.

The Warriors continued to demonstrate their speed as they stole six bases in seven attempts.

The Warriors are scheduled for Southwestern Conference games beginning at Edwardsville today, at Alton on Tuesday and East St. Louis here Friday.

GC Trackmen 3rd in Mineral Area Meet

Granite City High School's trackmen clinched third place in the Mineral Area Meet Saturday at Belleville East. The meet had been scheduled for Cahokia but the location was changed Friday.

Alton won the event with 53 points, East St. Louis had 53 and the local Warriors finished with 41½ points. Trailing were East St. Louis Lincoln with 41, Belleville West 28½, Mount Vernon 28, Belleville East 18, Centralia 13, Belleville Althoff 6, Edwardsville 5, Columbia 4, Triad 3, Lebanon 3, Collinsville 2, New Athens 2, Madison 1.

Warrior Howard Bryant won the mile run and set a new meet record of 4:24.8, 2½ seconds faster than the old record of 4:27.3. Bryant also placed second in the two mile run in 9:21.5.

Bob Kratz set a new meet record in the pole vault, clearing 15' 15" inches higher than the old record of 13' 3".

The Warriors were strong in the discus events as Brad Hiles was first with 126 feet, 2 inches, and Dave Weiss was second at 145' 7". Weiss also was third in the shot put with 48' 11".

Both the 440 and 880-yard relay teams finished second in their events as Greg Becker, Dave Maclos and Tom and Rich Schooley completed the 440 distance in 44.9 seconds and Becker, Bob Kratz and the Schooley brothers clocked 1:32.3 in the 880-yard relay. The mile relay team finished fifth.

Tom Patterson cleared 5' 10" in the high jump to tie for third place.

The Warrior freshman-sophomore 880-yard relay team also placed fourth, finishing in a tie for fourth.

Rich Schooley's 1972 record of 4:04 in the 330-yard low hurdles was broken by Keith Eiler of Belleville East with :39.3 during the event.

Gresco Leads Golf Victory

A two-over par round of 36 by Warrior Don Gresco sparked the Granite City golfers to victory over Cahokia Friday at the Arlington Heights Golf Course, Peoria.

Gresco's round was followed by 42 for Bruce Lattimore, 43 for Bill Skirball, 44 for Rick Bohmstedt and 47 for Clay Winfield.

Not counted was a 48 round by Tim Behrens and the 51 score of Don Meil.

The Warriors will travel to Edwardsville for a match at 4 p.m. today.

Need for Managers

Managers are needed for proposed boys' baseball teams in the Granite City Park District, Mike Jense, recreation director, reports.

There is a special need for managers of eight-year-old boys. "We have the boys waiting and can help in obtaining equipment for their teams," Jense commented.

He asked that those considering becoming managers contact him at the park office, Edwardsville for a match at 4 p.m. today.

Local Ice Hockey Players Honored

The third annual Granite City Amateur Hockey Association banquet, held last week at the Croatian Home in Madison, was attended by 300 fans, parents and players.

Four local teams compete in Missouri Amateur Ice Hockey Association division that play both at the local ice rink in Wilson Park and at six St. Louis area rinks.

The Lindsey Construction Midgets, boys aged 15 and 16, received a first-place division trophy. They were in competition with 14 other teams.

The Country Club Estates Squirt team, boys nine and 10, also took first place against a field of 14 teams.

Menasha Sporting Goods' Pee Wees, boys 11 and 12, earned second place and Fleishman's Sporting Goods' Bantams, boys 13 and 14, garnered fourth place, each facing 14 teams from the metropolitan area.

The Granite City Minisquirts for boys five through eight, do not play in division competition. There were 150 boys participating in the local ice hockey association on the five teams.

The association is planning to expand to eight teams next year.

At the banquet, each boy received a trophy.

Special guests at the dinner were Louis University Billiken Ice Hockey Coach William G. Selman and six of his team members.

GCHS Netmen Split 2 Meets

The tennis Warriors of Granite City High School lost 3-2 to Edwardsville Thursday and blanked Cahokia 5-0 Friday. There are now 3-2 for the season.

In first singles against Edwardsville Warrior Bill Edsward defeated R. Wetzel 6-5, 6-1. Second singles went to GCHS's Gary Loy over Neil Pushe 6-1, 8-4. John Bruch lost third singles to Mike Pellock 2-6, 1-6.

Warriors lost both double events as Gary Osborn and Bill Burger were defeated 4-6, 4-6 and Gary Rushing and Ralph Reeder lost 6-4, 3-6, 3-6.

At Cahokia Rusk won first singles 6-4, 6-4. Loy second singles 6-0, 6-0, and Bruch 6-1, 6-3. Osborn and Burger won first doubles 6-4, 6-4. Loy second doubles 6-2, 6-1.

The netmen will meet Championship Court at 9 a.m. Saturday.

Cougars Sweep

Twain Bill

The Cougar baseball team of Southern Illinois University at Edwardsville extended its winning streak to 10 games as it swept a double header over MacMurray College 8-6 and 8-5 Saturday at Jacksonville.

SIU's Ron Rollins was the star of the day. He pitched the first game, fanning 10, and hit a two-run homer in the sixth inning in the initial contest and two more round trippers in the second game, with one on in the third and none on in the fifth.

The winning margin for the Cougars in the first game came in the ninth inning with two runs and a MacMurray Highlander comeback in the last of the frame was cut short at one run.

The Cougars out-hit the losers 10 to 9 and committed one error. Roger Belche worked behind the plate for the local team.

Ken Demarecz on the mound and Tim Summers at catch formed the SIUE battery of the nightcap in which the Cougars out-hit the Highlanders 8 to 6 and played errorless ball.

Warrior Sophs Win 3 Games

Three week-end victories increased the record of Granite City High School's sophomore baseball team to 7-0 as the young local Warriors downed Cahokia 5-3 Friday and swept a double header from St. Louis University High 3-2 and 4-1 Saturday in home encounters.

Greg Terrell fanned eight batters in winning the Friday game. Jim Bladdick had two hits and a run batted in. Bill Carr drove three runners home and Tim Reiske had a three-for-three day at the plate.

Bill Carr singled home the winning run in Saturday's first game, and John Scott was credited with the mound victory. Keith Lucas had two hits and two RBIs.

Mike Waldo was the winning pitcher in the second game. Kirk Champion tripled with the bases loaded in the fourth inning.

Intruder Enters Home On Three Occasions

A man reportedly forced his way into the home of Mrs. Judy Cross, 2418 Missouri Ave., at 2 a.m. Saturday. She said she fled into her auto and drove from the house. The man entered his auto and followed her until she returned home. It was reported.

He then entered her home again and she convinced him to leave, she said. He returned at 12:30 a.m. Sunday and Mrs. Cross' husband, Dempsey Cross Jr., and two other men attempted to hold him for police. The intruder escaped and fled in his auto.

News Notes

With a federal freeze on community development and housing programs continuing, a dim outlook on state and federal anti-pollution water and sewer grants was presented at a meeting of 75 local-level officials with Gov. Melvin Price and the Findley Friday in East Alton.

The Southwestern Illinois Law Enforcement Commission board will meet at 4:30 p.m. Wednesday at Charlie's Restaurant, with a steering committee dinner meeting following at 7 p.m.

There is no change in the overall timetable and deadline facing Granite City Steel Co. in its anti-pollution program, it was reported Saturday. A hearing on variances held last week is described as fulfilling a legal technicality, since state law provides only for 12-month variances and the approved timetable covers 30 months.

A tentative Madison County land use and transportation plan prepared by the Madison County Regional Planning Commission will be the subject of a public meeting from 3 to 5 p.m. and then from 6 to 8 p.m. tomorrow at the Madison County Courthouse in Edwardsville.

A new device providing more advance warning of tornadoes went into operation yesterday at the National Weather Service station at Lambert Field.

Pontoon Beach Youth, 15, Sought by Family

Mr. and Mrs. Wayne Elmore, 8 Violet Ave., Pontoon Beach, are seeking information concerning the whereabouts of their son, William Michael (Bill) Elmore, 15, who has failed to return home since Thursday evening.

The youth's father said his son last was seen about 9 p.m. Thursday in front of the Junior Achievement Center at Johnson Road and Wabash Avenue. He is five feet, eight inches tall, weighs 130 pounds and has medium brown hair, grey eyes and medium complexion.

It is believed he is wearing a black T-shirt, black quilted jacket, black shoes and white trousers.

Anyone knowing the youth's whereabouts is asked to contact the Pontoon Beach Police Department at 931-0738.

Details are available at 876-7200 or the YMCA at 2001 Edison Ave.

MORE ABOUT

Municipal

has been marked by intense competition between the People in Action party ticket headed by Thomas Elliott, and the Village Improvement ticket headed by Floyd David Moss.

The office of village president, village clerk and three trustee posts are to be filled in Tuesday's balloting. The board president and the clerk will be elected to two-year unexpired terms since the officials in those offices now are serving by appointment.

The three trustees will be elected to four-year terms. Only one incumbent official is running this year. Otto Kreher, incumbent president, and incumbent trustees Carl Hackney, Donald McNew and Fred Reor are not seeking re-election. Mrs. Mary Sturdivant, now village clerk, is seeking re-election.

Lewis B. Atwood, 84, Retired Carpenter, Dies

Lewis Burl Atwood, 84, of 1863 Edwardsville Road, a patient since March 6 at the Anna Henry Nursing Home, died at 8:45 p.m. Saturday at the nursing home in Edwardsville.

Born in Bowling Green, Ky., he lived in Madison 47 years. He was a retired carpenter. Mr. Atwood was a member of Veterans of World War I, Barracks 34.

Survivors include a niece, Mrs. Albert A. Walker of Edwardsville, a nephew, Robert R. Walker of Granite City and a brother-in-law William Schrumpl.

Funeral arrangements are given in the obituary column.

year — Clarence Baumeier — is seeking re-election, but the other, Milton Worthen, who has served on the Park Board 52 years, did not file for another term. Park Board members are elected to six year terms.

In addition to Baumeier, candidates seeking the park board posts are Robert Patrick and Jake Hinterer. Lists of precinct polling places for Tuesday's elections are printed elsewhere in this issue of the Press-Record.

The People in Action ticket, in addition to Elliott as candidate for board president, includes Mrs. Sturdivant as candidate for clerk, and Harold E. McBride and William Luchini for trustee, with Yungler's name also on the ballot.

Mrs. Corinne Kreher, wife of the incumbent president is the candidate for village clerk on the Village Improvement party ticket which is headed by Moss.

Candidates for trustee posts are Paul L. Bennett, Don C. Rea and Ray L. Gaudette.

In Madison, incumbent Mayor Mike Sasyk is expected to be re-elected without opposition, along with City Clerk John Belcutt and five incumbent aldermen.

Filed as the Citizens' Progressive Party, the ticket includes one candidate who is not now in office. He is Hilbert Hoekstra, candidate for city treasurer. He also has no opposition.

Candidates for re-election to aldermanic posts are Robert Don Reeves, Ward One; Richard L. Kisser, Ward Two; Raymond Kozielek, Ward Three; Christ Cofort, Ward Four, and Booker T. Walton, Ward Five.

Three candidates are seeking election to two park commissioner posts in Granite City during Tuesday's balloting in three precinct polling locations.

2 Conservation Camps Planned in Illinois

To offer summer employment opportunity to Illinois teenagers, the U. S. Department of Agriculture and the U. S. Department of the Interior will operate two Youth Conservation Corps camps in Illinois for eight weeks starting in late June.

Congress has appropriated \$3.5 million for this program which is in its third year, and which consists of 100 Youth Conservation Corps Camps across the United States.

The two Illinois camps will be at the Crab Orchard National Wildlife Refuge, Carterville, Ill. 62918, and at the Shawnee National Forest, Harrisburg, Ill. 62946. Both camps are residential and coed.

Participants in the program, who must be between the ages of 15 and 18, will be paid approximately \$300 for the season plus food and lodging.

School districts and community youth organizations will conduct the recruiting.

Besides providing gainful employment for young citizens from all walks of life, the camps accomplish needed conservation work on public lands and develop understanding and appreciation in participating youths of the nation's natural environment and heritage.

SIU Board Approves Proposed New Degree

A master's degree in mass communications will be offered at Southern Illinois University at Edwardsville if the Illinois Board of Higher Education approves. The SIU Board of Trustees voted to authorize the new degree at a meeting Friday at SIUE.

An undergraduate degree in mass communications has been offered at SIUE since 1969. Last fall, 172 students were enrolled in the bachelor of science program.

Forty-three students graduated with degrees in mass communication at spring and summer quarter commencements in 1972. Undergraduates are now being trained in journalism, radio and television.

The new master's program is to be problem oriented rather than a media oriented, trustees were advised, with emphasis on practical experience.

Each student will complete a major project, such as the communication needs of an agency or institution, using one or more media to solve the problem.

Full implementation of the new degree program will not be possible before the fall quarter of 1974.

T. R. Remington Named Special Counsel to GSI

The appointment of Thomas R. Remington as special counsel to General Steel Industries, Inc. was announced Friday by GSI president W. Ashley Gray, Jr.

It also was announced that Remington has resigned as a vice-president of GSI to return to the private practice of law as a partner in the St. Louis law firm of Armstrong, Teasdale, Kramer and Vaughn.

"GSI's management is delighted that Remington is remaining in St. Louis where his advice, both as special counsel and as a member of the Board of Directors of GSI, will continue to be available," Gray said.

Remington joined GSI in 1964 as vice-president and general counsel after eight years of law practice in New York, including three years as counsel to Governor Nelson A. Rockefeller.

At GSI he was initially in charge of general corporate legal activity, served as a division president, and was vice-president of operations with responsibility for the five divisions which now constitute the continuing operations of GSI.

He is a trustee of Lindenwood College in St. Charles and is president of the Board of Trustees of Mary Institute in St. Louis.

He has been active in the Union Fund and in the efforts of the National Alliance of Businessmen to provide employment opportunities for the disadvantaged. He also is a director of the Granite City Trust and Savings Bank.

**WHY ALL THE
NEW REGULATIONS?**

Not very many years ago the laws controlling the sale of medicines were pretty strict. Even such products as aspirin could not be sold except in a pharmacy and then only by a registered pharmacist. When these legal barriers were broken down, we fast became what the experts now call a "pill taking, drug oriented society."

It has reached such drastic proportions that now it has become necessary to try and put the brakes on with new regulations and laws. Frankly, we thought the public had their needs served better when medicines were only sold by people with training and knowledge of drugs.

Attorneys Purchase Old DeWitt Building

Burton C. Bernard and Joseph R. Davidson, attorneys with law offices at Niedringhaus and Edison avenues as well as in St. Louis and Edwardsville, are purchasing the former DeWitt Paint Co. building, 1839 Delmar Ave., with plans to establish a law office there.

Bernard said the purchase of the building should be completed this week. He said that an architect is studying the ground floor space formerly occupied by the paint company to determine if it is feasible to remodel for a law office.

If it is found to be feasible, the new office may open in September, Bernard said. The space in the building now occupied by the Enst St. Louis and Interurban Water Co. will remain as it is as the water company has a long-term lease, he explained. He added that no plans have been made concerning the 10 rooms on the second floor of the building which would be suitable either for offices or for apartments.

The Bernard and Davidson law firm has four attorneys which make the three offices. The present Granite City office would be closed if the new office is opened and the Delmar Avenue address would become the headquarters for the firm, he said.

NELSON (NELLIE) HAGNAUER

National Honor to John Guillou

The top ten public works "men of the year" for 1973, announced today, include John C. Guillou, well-known to Quad-Cityans.

Chief waterway engineer of the Illinois State Division of Water Resource Management, Guillou was chosen along with nine other recipients as part of a nationwide observance. Public Works Week is to be noted May 20-26, sponsored by the American Public Works Association.

Also cited were Robert H. Goodin, director of public works, Glenview, Ill.; Myron D. Calkins, Kansas City, Mo., public works director; Robert C. Estherbrooks, county engineer, Phoenix, Ariz.

William R. Giamelli, director, California Water Resources Department; Arthur Knudson, Kirkland, Wash., public service director; Michael Pender, Hempstead, N. Y., works commissioner.

Arthur Sampson, U. S. General Services Administration acting administrator; Fritz Zapf, Pasadena, Calif., public works director; and David Stevens, Maine Transportation Department commissioner.

They were selected from scores of nominees as representatives of the finest in public works.

The judges said their work "reflects the highest standards of professional conduct. Their achievements are characterized by the wise use of manpower and funds."

As engineer, educator, scientist and administrator, Guillou "has built an impressive career since graduating in 1943 from the University of Southern California," it was noted. After Army service with the Combat Engineers, he returned to his alma mater in 1947 as a Lecturer in civil engineering.

Later that year he joined the Hydraulic Engineering faculty of the University of Illinois, concurrently earning his M.S. in Civil Engineering, conferred in 1954.

Service Clubs to Hear Rabbi Kaplansky

Rabbi Howard Kaplansky of the United Hebrew Temple, St. Louis, will be the guest speaker at the noon services on Maundy Thursday at the First United Presbyterian Church, 22nd Street and Delmar Avenue, A. H. Froemming will preside at the organ.

Rabbi Kaplansky is a graduate of the Hebrew Union Seminary in Cincinnati, Ohio. He will speak at noon, followed by a 12:35 luncheon served in the church dining room.

The Granite City Optimist Club is in charge of arrangements for the annual luncheon provided Quad-City men's service clubs. Lunch will be served by the United Presbyterian Women's organization.

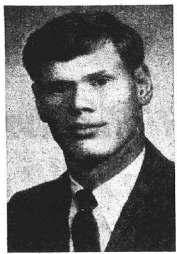

JOHN C. GUILLOU, Illinois chief waterway engineer, who was chosen today as one of ten national "men of the year" in the field of public works.

He remained with the university until, in 1963, he assumed his present position as chief waterway engineer in charge of the state's Division of Water Resource Management, now located in the Department of Transportation, state of Illinois.

During his tenure on the Urbana campus, Guillou was in charge of the school's Hydraulic Engineering Laboratory and the author of numerous scholarly reports and papers on such subjects as drainage, flood control, bridges, water resources and distribution, filtration and

undergraduate training of hydraulic engineers.

In his role as a state official, he has served under four Illinois governors, acting as custodian of certain public waters and lands, exercising the state's jurisdiction over navigable waters, regulating construction and other activities which affect the State's public waters, devising, constructing and maintaining flood control facilities, defining and protecting flood plains and operating a continuing program for the apportionment of water diverted from Lake Michigan.

New Lake Cub Pack Holds Initial Meeting

Newly organized Cub Pack 108 sponsored by Lake School PTA held its first meeting Thursday night in the school cafeteria with the theme being "Knights of the Roundtable." Rick Lucido, Cubmaster, presided. All were dressed in knights costumes they had made during den meetings.

The meeting opened with the pledge of allegiance. The boys taught their parents the words and actions to the song, "The Grand Old Duke of York."

During candle light ceremony performed by Lucido and assisted by Richard Poole Jr. of Troop 21, for the new bobcats, the boys sang "The Knight's Code," recited the "Law of the Pack and the Cub Scout Promise." Each boy was knighted and dubbed "Sir Bobcat" with a ceremonial sword going back to the late 1800's by Lucido.

Receiving their Bobcat awards were Danny Wright, Norman Kinder, Ronald Harlin, Craig York, Kevin Anderson, Joe Chandler, Dennis Grimm, Richard Derott, Debert Madison and Jerry Phillips.

Danny Wright received his dinner cords and Kevin Anderson received assistant dinner cords.

A poster contest had been held to advertise the coming Scout-O-Rama and first place went to Dennis Grimm, who explained his poster to the audience.

Mrs. Norma Kinder was introduced as the den leader and received her membership card.

Edward Gomwa, instant mail representative, accepted the pack charter from Richard Poole Sr., committee chairman.

Footo presented an appreciation certificate to Venice-Madison American Legion Post 307 for contributions to EMH boys. Accepting to ribe post was Balazs Magyar, Sergeant-at-arms.

Lewis & Clark Pilgrimage will be held on May 12 and that parents will be needed to drive the boys there and back. Day camp for Cubs will be held July 10-13 and the cost will be \$5 per day.

It will include a trip to Southern Illinois University, Marquette State Park, Fort DuCharme and Camp Sunnen near Potosi, Mo. Scout-O-Rama tickets were distributed by Mrs. Poole. The boys will participate with a booth on handicrafts.

The meeting closed with the boys teaching their parents the Living Circle and the Cub Scout Prayer. Refreshments were served by the pack committee.

Parents Group to Meet

The Dunbar School Parent-Teacher Club will meet at 7 p.m. Wednesday in the Dunbar School cafeteria to discuss pending litigation in the Madison School District busing program.

Busing Case Continues

Suits by Ousted State Employees Boost Workload

Copley News Service

Springfield—An unprecedented crush of lawsuits by ousted state employees seeking reinstatement in their jobs is posing serious personnel problems for the state's attorney general, and ultimately could cost the state thousands of dollars in special legal hiring fees.

Between 20 and 30 such suits have already been filed in courts around the state, usually by only one or two plaintiffs. Others have been filed as joint actions by small groups of 10 to 15 persons.

Since Atty. Gen. William Scott is designated by state law to represent state officials in court actions, each of the suits will have to be defended by Scott's staff individually.

Presently, just filing the comparatively routine answers to the initial briefs is occupying one of Scott's staff of special assistants nearly full time, according to Bill Schaub of Scott's office.

More time will be required when the cases are set for trial. Detailed specific legal work will have to be done to prepare and then present the state's case in each suit in court.

There is little likelihood that many of the cases will be consolidated, since they are against various departments in the Walker administration, filed in different courts and representing different kinds of petitioners.

The cases already filed range from actions by lower echelon employees without code protection to civil service employees to fired state hospital workers to a staff member of the Illinois Commerce Commission and the chairman of the state Liquor Control Commission.

Reasons for their ousters vary as well, with some discharged not for political considerations but for alleged "incompetence" or "insubordination," while in other cases jobs have, for the record at least, been abolished and the jobholder laid off.

Schaub said that if special assistants must be hired in various parts of the state to handle such cases in their regional courts, costs will range from flat fees for comparatively routine matters to fees based on the Illinois State Bar Association's fee guidelines, which indicate \$25 to \$30 an hour.

When testimony is taken from expert witnesses, costs, even more, compounded by the necessity of having highly-paid court reporters taking hours of testimony.

If the state loses an individual case and the plaintiff is ordered returned to his job, the state is liable for all back pay which he lost as well, Schaub said. Even if the court upholds the firing, the action has cost the state substantial sums.

Scott presently has a staff of 34 special assistant attorney generals who are already busy full-time, Schaub said, on regular business of the office.

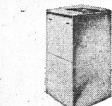

Income Tax Filing Extended to Today

Due to the traditional income tax filing deadline of April 15 falling on a Sunday, the Internal Revenue Service has granted a one-day extension of time for filing. All federal income tax filings must be postmarked before midnight tonight April 16, a spokeswoman for IRS said last week.

A spokesman for the Granite City Post Office indicated that all returns mailed at the main post office before 8 p.m. today will be dated before the deadline.

Meter Income Shows Decline in March

Granite City collected \$4,023 from parking meters during March, including \$3,336 in fees and \$687 in fines, Paul Rutledge, city treasurer, reported this week.

The collections were less than the \$4,038 collected in February and the \$4,479 collected during March of 1972. The total for the first three months of the year, \$12,381, is less than the \$12,888 collected in the same period last year.

Meters operated 27 days during the month and the average daily collection was \$149, the lowest average since the \$143 per day in September, 1972.

In January of this year, meters brought an average of \$166 per day into the city treasury. During February the total increased to \$175 per day.

VANDALIZE BUILDING

Three youths were seen breaking windows at a vacant building at 910 Greenwood St., Madison, the owner, Joel Joseph, 2925 Iowa St., reported at 12:15 p.m. Friday. The garage window lights and windows on the east side of the building which Joseph was remodeling was broken, he said.

Six Pontoon Officials Endorse VIP Candidates

Six of the seven incumbent members of the Pontoon Beach on Friday endorsed the candidates of the Village Improvement Party who are seeking election in village balloting to morrow.

The endorsement read, "After careful consideration of the qualifications of all candidates for election to vacancies on the Village of Pontoon Beach Board of Trustees, we believe those candidates most qualified to serve in the best interest of the village to be those of the Village Improvement Party and they have our unqualified endorsement."

We support for election the Village Improvement Party. Floyd David Moss for village president, Mrs. Corinne Kreher for village clerk, and Raymond

Flood Aftermath May Cause Serious Health Problems

Scientists at Southern Illinois University at Edwardsville are concerned about the community health problems which could arise as an aftermath of the Mississippi and Missouri River floods.

Joel Margalit, adjunct associate professor of biology at SIUE, fears a marked increase of mosquitoes and virus diseases which they carry.

Margalit, who received his Ph.D. in medical entomology, is especially worried about conditions that may increase the spread of western equine encephalitis and other viruses carried by mosquitoes. He recalled the encephalitis epidemics of 1933, when 1097 cases and 221 deaths were reported in St. Louis and 1937, with 338 cases and 89 deaths. In 1966, 42 cases were reported. "Several virus diseases which affect the central nervous system and cause encephalitis, or inflammation of the brain, are transmitted by mosquitoes," Margalit pointed out. "The most important of these in the United States are eastern equine encephalitis, western equine encephalitis and St. Louis encephalitis."

"The first two occur in horses and mules as well as in man," he said, "but the St.

Louis type affects man without causing noticeable infections in horses. Birds are presumably the reservoirs of all three types.

"They serve as natural hosts and mosquitoes as the most important carriers. Human cases of encephalitis vary from mild, unapparent infections to very severe sickness, with permanent damage to the nervous system or even death."

"Horses may have similar mild or severe infections with eastern and western equine types," Margalit said, "whereas the St. Louis virus causes only unapparent infections."

The mosquito problem in this area always has been one of considerable magnitude, Margalit pointed out, "because there are many ideal breeding places, and because the area normally experiences long, wet summers."

"During the spring, when floods occur," he explained, "the Mississippi and Meramec rivers overflow thousands of acres of river land and provide ideal breeding places for many species of mosquitoes. Since flood water conditions increase the normal mosquito problem, emergency mosquito control operations would appear to be necessary."

Roy Yates, 61, Dies; Railroad Employee

Roy D. Yates, 61, of 1732 Delmar Ave., died at 11:45 a.m. Friday at the Missouri Pacific Hospital in St. Louis where he was admitted one week ago.

In addition, Ross obtained permits to raze a four-room house at 3715 Namooki Road and a five-room house 3721 Namooki Road at a cost of \$2,000.

Park District Plans Annual Egg Hunt

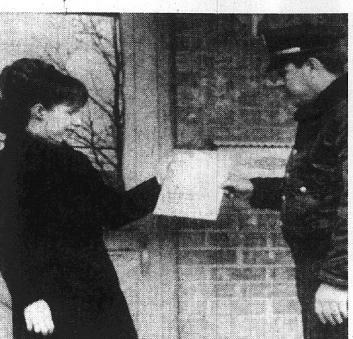

The annual Easter Egg Hunt sponsored by the Granite City Park District will be held Saturday, April 21, at the Park Ice Rink, according to Harold Brown, superintendent of parks. Three separate age divisions are planned to include first graders at 9 a.m.; kindergarten students at 10:15 a.m. and preschoolers at 11:30 a.m. Each child should bring a basket or container to collect their eggs, the park official said. Several prizes will be awarded and each child participating will receive eggs.

Specific prizes will be awarded in each of the groups for the one who finds the "golden egg"; for the boy and girl who collects the most eggs; and a fourth prize to the child who finds the largest number of eggs. Straw will be used in the rink area to hide the eggs and no parent will be allowed to enter the contest area, but may watch the proceedings from the outer railings.

HELPING HAND PROGRAM is being launched by the Granite City Police department and local PTA units to protect young school children. Mrs. William Szedlar, 4029 Sara St., receives the "Helping Hand" poster for her front room window from Officer Roy Koberna.

Helping Hand Program to Protect Small Children

The Granite City Police department, in co-operation with local school administrators and Parent-Teachers Associations, has invited a new program known as "Helping Hand."

The program calls for citizens to display a small 8 1/2 inch by 10 1/2 inch poster in their front room window to indicate their willingness to help children in trouble.

Purpose of the program is to offer young school children added protection.

When a child is in trouble he can go to the nearest home displaying a poster in the window and receive help.

Persons wishing to lend a "helping hand" are asked to contact the nearest elementary school principal.

On the back of each poster are simple instructions for the adults with the first one being "Call your local police department 877-6111, give them your name and address and nature of the problem." In simple step-by-step instructions, the home owner is advised what to do.

The children are being told of this program and instructed to seek help in the following situations; if a stranger talks

to them, a dog bites them, they fall or have an accident, or if older and bigger boys try to bother them.

When the child comes to the home the adult can size up the situation immediately and notify police.

According to Roy Koberna, community relations officer for the Granite City police department, similar programs in other cities have been most successful.

"The success of the program here depends on the public's willingness to co-operate with the police in safeguarding the small children," Koberna emphasized.

The Southwestern Illinois Law Enforcement Commission has provided funds for the printing of the posters and other material related to the program.

Exams Scheduled for Academy Applicants

Cong. Melvin Price (D-East St. Louis) announced Friday that a Civil Service competitive examination will be held in Alton and East St. Louis on Saturday, July 7 for young men who are interested in attending one of the United States service academies.

The results of these examinations will assist Congressmen in making his selection of 1974 academic year nominations to be submitted for consideration to each of the following Academies: U.S. Air Force Academy, Colorado Springs, Colo.; U.S. Military Academy, West Point, N.Y.; U.S. Naval Academy, Annapolis, Md.; and U.S. Merchant Marine Academy, Kings Point, N.Y.

Young men, between the ages of 17 and 21, who will not reach the age of 22 by July 1, 1974, are eligible to compete in this examination. For further information, contact Melvin Price, 2468 Rayburn House Office Building, Washington, D.C. 20515, or the Honorable Melvin Price, 2468 Rayburn House Office Building, Washington, D.C. 20515. An applicant prefers to take the examination at Alton or East St. Louis.

2 New Board Members Of Post Corporation

Appleton, Wis. — A Neenah (Wis.) industrialist and a Milwaukee banker have been elected to the board of directors of Post Corporation, owners of the Press-Record.

Named to three-year terms by shareholders last week were John H. Hendee Jr., executive vice-president of First Wisconsin National Bank of Milwaukee, and Richard J. Appert, executive vice-president of Kimberly-Clark Corp., Neenah.

They succeed John R. Rounbeck, who resigned as a director in September 1972, and Glenn H. Arthur, who is retiring as a director.

Re-elected to the board for a three-year term was Roger C. Minahan, a Milwaukee lawyer who is the firm's secretary. He has been a director since 1956. Shareholders also approved an increase in authorized common stock from one million to two million shares. Management said it has no immediate plans to issue new shares.

V. I. Minahan, Post Corp. president, said that as a result of a 1971 stock offering, the corporation had to overcome a dilution factor throughout 1972 which prevented per-share earnings from keeping pace with the increase in total earnings.

Total earnings had to be increased 23% before showing an increase in per-share earnings, and this was achieved. Post earned \$1.90 per share, a 34% increase over the \$1.44 earned in 1971.

President Minahan also said the company has purchased 36,000 shares of its own stock over the last several months.

Post, he said, had a more than adequate cash flow to meet debt service and dividends, its balance sheet was strong, and there was no near-future need for cash, such as for an acquisition. And the stock was selling for seven to nine times earnings.

"If we had a chance to ac-

quire a company of Post's quality at that multiple of earnings, we wouldn't be in a hurry but would be off making that acquisition," he remarked at the annual shareholders' meeting.

Hendee started with First Wisconsin in 1949 as a teller, credit analyst and in the commercial banking divisions. He was elected assistant cashier in 1956, assistant vice-president in 1958 and vice-president in 1963.

In April 1970 he was named first vice-president in charge of retail banking, and in December 1970 senior vice-president.

He also is a director of First Wisconsin Investment Co., First Wisconsin Mortgage Co. and Uniserv Corp.; treasurer of Provident Realty Co.; a trustee of Carroll College, University Lake School and the Plaster-Vogel Tanning Company Foundation, and secretary-treasurer of the Williams College Alumni of Milwaukee.

Appert is responsible for Kimberly-Clark's marketing of newspaper from the Coosa River (Ala.) operations, for the Forest Products and Karolton Envelope division and the corporate pulp function.

He joined Kimberly-Clark in 1937. He was named vice-president of the firm's Canadian associate, Spruce Falls Paper and Paper Co., Ltd. in 1951 and vice-president and general manager of the Coosa River Newsprint Division in 1961.

Appert was elected a director of Kimberly-Clark in 1966; general manager, Pulp and Paper Division, in 1968; group vice-president, Paper and Forest Products Group, in 1969; and for the Newspaper and Forest Products Group in 1971.

He was elected to his current position in 1972 and is a member of the executive committee and chairman of the company's Renewable Resources Review Committee.

Voters to Ballot Tuesday In 13 Quad-City Polls

Quad-City voters will ballot in 13 polling locations during Tuesday's Granite City Park District election and city and village elections in Madison, Venice and Pontoon Beach.

Venice and Madison voters will ballot by wards, rather than by precincts. Venice will have four ward voting polls and Madison will have five.

Pontoon Beach voters will ballot in only one polling place, located in the Long Lake Volunteer Fire Department Hall on Pontoon Road.

Voters in the Granite City Park District election, in which two Park Board members will be elected, will ballot in three polls. These will include:

Precinct One—Park District Community Center, 822 Niedringhaus Ave., for voters living within that part of the Park District west of the railroad tracks.

Precinct Two—Wilson Park Ice Rink for voters living between the Railroad tracks and Nameoki Road north to Tri-Motor Bowl, excluding the Briarcliff addition.

Precinct Three—Nameoki Recreation Center, 2651 Amos Ave., for voters living in that part of the Park District east of Nameoki Road, and including the Briarcliff area.

The five ward polling places in Madison include: First Ward, Polling Place: City Fire Building, 1527 Third Street, Madison. Second Ward, Polling Place: Madison Public Library Building, 1700 Fifth Street, Madison. Third Ward, Polling Place: Madison Memorial Center Building, Seventh and "L" Streets, Madison.

Fourth Ward, Polling Place: Trinity Hall Building, 1246 Madison Avenue, Madison. Fifth Ward, Polling Place: West Madison Memorial Center Building, 900 West Washington Street, Madison.

Venice polling places will include: First Ward, Polling place: L.O.O.F. Hall at 123 Grand. Second Ward, Polling Place:

St. Mark's Church Basement, 10th and Lincoln Ward. Third Polling Place: 1100 Calhoun Street. Ward Four, Polling Place: 109 Weaver Street.

Easter Vacations Set In Quad-City Schools

All public schools in Granite City and Madison School Districts are now on Easter vacation and will resume classes on Monday, April 23.

Venice public schools will dismiss classes at the close of regular hours Wednesday, April 18, and return on Tuesday April 24. St. Mary's School in Madison, St. Mark's School in Venice and St. Elizabeth's School in Granite City will dismiss classes at the regular time on Thursday, April 19. Students will return for regular classes on Tuesday, April 24.

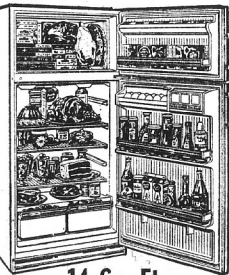

St. Margaret Mary School's final classes will be on Wednesday, April 18, and will begin again on Thursday, April 28. Sacred Heart School and St. Joseph's School will hold the last day of school on Thursday, April 19, and resume regular classes on Tuesday, April 24.

Shots at House, Tavern Thursday

Madison police are investigating reports of two incidences of guns being fired in the city Thursday night. At 7:40 p.m. Thursday they were summoned to the Turner family residence, 1537 Third St., Madison, where two bullets had been fired through the front window and into the living room. One went into the living room wall and the other went through a doorway into the kitchen, stopping inside a kitchen wall.

At 10 p.m. Thursday they were called to Ermadean's Tavern, 108 State St., Madison, where a man about 25 to 30 years old, fired a shot into the bathroom floor and then left.

JUNIOR HIGH LOOTED
Burglars broke into Madison Junior High School, ransacked the principal's office and two classrooms and stole \$1.51 in change from a soft drink vending machine in the teachers' lounge, it was reported at 6:15 a.m. Friday. Entry was gained by placing tape on a supply room door window and throwing a piece of coal through the window.

The SCHERMER BULLETIN

Well, here we go again! One more load of Cornish hens just in time for Easter. This is certainly your best meat buy. Imagine, just 69 cents for 16 to 22 ounces of practically ALL meat. By the way, we'd enjoy hearing from you gals who have found different or exotic ways of preparing these birds.

One disappointment last week was the men's extra large double knit pants. It seems that the salesman forgot to mention that these slacks were only in limited sizes. Luckily, they were purchased on a consignment (guaranteed sale) basis so we will be returning them next week. Meanwhile, any of you folks who need a size 40, 42, 44, 46, or 48 can take advantage of this fantastic bargain—first quality double knit slacks, only \$6.99.

One more money saving item this week is Chef's Best potato chips. This is a 16-ounce—one full pound—box for 49 cents. If you stop and think you'll realize that some of the newer or "new fangled" chips only contain 9 or 10 ounces per package, so our Chef chips are really a bargain!

MRS. MICHAEL G. VEIZER, the former Miss Helen Marie Walck, a daughter of Mr. and Mrs. Edward Walck, 2504 Angela Drive, who was married Saturday at St. Martha's Catholic Church in West Covina, Calif.

Veizer-Walck Wedding In West Covina, Calif.

An out-of-town wedding of interest here was that of Miss Helen Marie Walck, a daughter of Mr. and Mrs. Edward Walck, 2504 Angela Drive, West Covina, Calif., taking place at 11 a.m. Saturday at St. Martha's Catholic Church in West Covina.

Parents of the groom are Mr. and Mrs. George Veizer of West Covina.

Performing the double ring ceremony was the Rev. Moran. Selections played prior to the service were "The Wedding Song," "The Wedding Hymn," "O Perfect Love" and "Joy."

Predicting the bride down the aisle were her sisters, Misses Margaret and Lynn Walck who were dressed alike in blue French voile gowns enhanced with sailor collars, edged with white cotton lace. The long full sleeves were cuffed in white and a white grosgrain ribbon encircled the waistline, terminating in the front with a bow and long streamers.

Both wore white picture hats and carried nosegays of white daisy mums, blue cornflowers, yellow carnations and baby breath.

For her wedding the former Miss Walck chose a pure white satin gown fashioned with a modified Empire bodice, featuring a high neckline edged in Venice lace.

A band of satin edged on both sides with narrow lace created a front panel on the bodice and extended down the front of the straight skirt that was accented with floral appliques.

After a wedding trip to San Diego the couple will reside in West Covina.

The former Miss Walck is a graduate of Granite City High School and attended Granite City School of Beauty Culture.

Mr. Veizer was graduated from Mark Keppel High School and is presently employed at Alpha Beta Bakeries in La Habra, Calif.

Plans were completed for an installation dinner for the 1973-74 officers of Granite City Junior Service Club at a meeting held last week in the home of Mrs. Mary Lou Worthen 37 Janday Lane.

The affair will take place tonight at the Red Carpet Inn in St. Louis, with Mrs. Carol Trittschuh as chairman, assisted by the board members.

Each member is to bring one of canned foods to be used to prepare Easter baskets for needy families in the area, it was announced. Miss Flora M. Lewis, Mrs. Rena James and Mrs. Beverly King are in charge of the project.

Mrs. Linda Saltich, the retiring president, presided at the planning meeting. Reports were given by each chairman in connection with the recent Follies show sponsored by the club.

Others attending were Mrs. Loretta Krekovich, Mrs. Marian Wright, Mrs. Elmina Trachsel and Mrs. Phyllis Grimm.

The social hour was directed by the unit's past presidents who used an Easter theme in the table appointments. Games were played and many prizes were awarded. Refreshments were served to 40 members.

Mr. Mrs. Birkie Hillis Mark 50th Anniversary

Mr. and Mrs. Birkie Hillis, 2750 Washington Ave., celebrated their 50th wedding anniversary at a reception held at the Eagles Home, 28th street and Madison Avenue, given by their five children. Over 100 guests attended.

Hosting the affair were Miss Delores Hillis, Kenny Hadley of Lawndale, Calif. Mr. and Mrs. Jess Hadley of Granite City, Mr. and Mrs. Charles Hillis of

Edwardsville and Mr. and Mrs. Birkie Hillis Jr. of Collinsville. The couple also has 15 grandchildren and 20 great-grandchildren.

Mr. and Mrs. Hillis were married on April 14, 1923 in Clinton, Ark. They moved to this area 44 years ago.

Mr. Hillis was employed at Laclede Steel in Madison for 33 years before retiring five years ago.

Bethel 43 Hosts 'Guest Night'

Bethel 43, Order of Job's Daughters, was host last week at a "Guest Night" event at the Masonic Temple. More than 120 members and guests from the area attended.

Guest officers filling the stations were from Edwardsville, Wood River and Alton. Mrs. Bella Blankenship, honored queen, presided and introduced past honored queens, junior princesses, grand representatives and 22 visiting Job's Daughters as the guests were escorted.

Also presented were Mrs. Norma Mohler, grand aide and Mrs. Anna Green, grand 4th messenger, both of Wood River; Bethel guardians, Mrs. Mary Lester of Wood River and Mrs. Betty Schmidt of Edwardsville, and associate guardians, George Lloyd of Wood River and Bernard Sanford of Edwardsville.

Others recognized during the meeting were Dale Miner of Edwardsville, past associate grand guardian, eight associate council members; Mrs. Nell Baskette Evans, Bethel 43 guardian and her husband, Burl Evans.

Miss Blankenship announced that Miss Sue Sackett, Bethel 43 librarian, will be sponsored by several local businessmen in the 1973 Miss Illinois Job's Daughters pageant to be held April 26-28 at the grand session in Chicago.

The librarian's report dealt with the subject "Understanding Word." The birthdays of six members were observed at the meeting. At the May 8 meeting an "inspection night" by the grand guardian will take place, together with initiation of new members. It was reported.

The social hour in the downstairs dining room featured a "cake walk," followed by refreshments served by the Mothers Club.

Honoree at Cradle Shower

A cradle shower at the Good Shepherd Methodist Church honoring Mrs. Barbara Dickerson was given last week by Mrs. Betty Melford, Mrs. Cynthia Bartling, Mrs. Charlotte Charbonnier and Mrs. Glenda Charbonnier.

Guests attending were Mesdames Pat Chastain, Donna Sprinkle, Wanda Rousseau, Mary Adams, Mary Jane Wasylik, Claudette Spangenberg, Donna Spangenberg, Carol Sue Miller, Cecil Miller, Shirley Melford, Mary Baker.

Misses Pat Howard, Sherry Best, Sharon Rush, Ellen Cain, Julie Gates and daughter, Janelle, Luana Hill, Etta Melford, Jarden Miller, Alice Dickerson and Theresa Sternberg.

Misses Tammy Adams, Denise Dickerson, Kim Wheatley, Angel Dickerson, Paula Melford, Terri Jo Melford and Christopher Bartling.

Mrs. MICHAEL J. STERN, whose wedding took place at St. John Lutheran Church. She is the former Janet Eve Severine, a daughter of Mr. and Mrs. John C. Severine, 919 Iowa St., Madison.

Janet Severine Becomes Mrs. Michael J. Stern

Miss Janet Eve Severine became the bride of Michael Joseph Stern in an early afternoon ceremony on April 7 at St. John Lutheran Church.

White satin bows on the pews and arrangements of spring flowers created the setting for the two o'clock double ring service performed by the Rev. Samuel Boda.

Wedding selections included "The Lord's Prayer," "Wedding Song" and "Never My Love," played by John Severine on the trumpet and Mrs. Heather Reed and Miss Margie Settlemyer on guitars. The musicians were accompanied by Mrs. Godfrey Jarabak at the organ.

The bride is a daughter of Mr. and Mrs. John C. Severine, 919 Iowa St., Madison. The groom's parents, Mr. and Mrs. Joseph L. Stern, reside at 1902 Fifth St., Madison.

Given in marriage by her father, the former Miss Severine chose in white a long-sleeved gown of white silk organza with beaded Alencon lace accenting the bodice, designed with a victorian neckline and long tapered sleeves.

Lace medallions etched with pearls enhanced the sheer sleeves and the floor-length skirt, and a wide border of scalloped lace encircled the hem and the chapel-length train.

A shoulder-length veil of bridal illusion was applied with lace motifs and secured to a cup of beaded lace. She held a bouquet of white roses, daisies and baby breath.

Matron of honor, Mrs. Charles Chapman, a sister of the bride, and bridesmaids, Miss Luanan Wachter, Mrs. James Hargrave, Miss Terry Doza and Miss Jayne Severine, a niece of the bride, were gowned alike in formal-length dresses of blue organza flocked in white.

A double ruffle edged the oval necklines and short sleeves. Blue satin ribbon defined the high rise waistlines, terminating

in a tailored bow and long streamers.

Each attendant wore a white picture hat banded at the brim in blue. They carried Colonial bouquets of daisies, straw flowers and baby breath.

Libby Navinger, a cousin of the bride, the flower girl, wore a frock identical in style to the honor attendant's dress. She held a nosegay of daisies, straw flowers and baby breath.

Tom Chapman, the bride's nephew, was ringbearer.

The groom chose his brother, Ronald Stern, as best man. Serving as groomsmen were Gary Bathon, a cousin of the groom, Wayne Welborn, Stan Lapinski and Philip Davis. Seating the guests were Tom Saksa, the groom's cousin, and John T. Severine Jr., a nephew of the groom.

For her daughter's wedding, Mrs. Severine selected a pale blue crepe A-line gown, full-length, complemented with a gemmed jacket made with wrist-length kimono sleeves. Her accessories were in a matching shade.

The groom's mother, Mrs. Stern, was attired in a long princess style dress of pale pink knit. A double ruffle edged the jewel neckline and trimmed the sleeves. She wore matching accessories. Both mothers wore white orchid corsages.

Mr. and Mrs. Stern, parents of the groom, entertained the wedding party and their families at a rehearsal dinner given at the Knights of Columbus Hall in Granite City.

A reception for guests was held at the Croatian Hall in Madison, following the ceremony.

After a wedding trip the couple will reside in Alton, Ill.

A graduate of Madison High School, the bride attended Southern Illinois University at Edwardsville and was employed at A. G. Edwards Co. in St. Louis prior to her marriage.

Her husband was graduated from Madison High School and SIUE before entering the U.S. Air Force.

MRS. ROBERT H. PELLMAN, the former Miss Debra Jeneen Kolb, a daughter of Mr. and Mrs. Eugene Buehler Jr. of Granite City. She was married Saturday afternoon at Holy Angels Church in East St. Louis.

Comment and Analysis

April 16, 1973

Patrick and Hinterer Recommended in Park Election Tomorrow

With William Milton Worthen retiring from the Granite City Park District board after 52 consecutive years of service, voters tomorrow will choose from among three candidates for two six-year board terms.

Candidates are Clarence Baumeier, a labor foreman with 18 years on the park board; Jake Hinterer, a Granite City Steel Co. foreman; and Robert Papp, a Press-Record advertising salesman.

Because Mr. Baumeier has been on the board so long and because the park district has been operated with considerable effectiveness, it would be inaccurate to say that he does not deserve praise for his efforts.

However, in view of the length of the term of office and the ages of the three candidates, an even better case

could be made for the election of Patrick and Hinterer. They are not only younger but deeply involved and familiar with many facets of the recreation and athletic programs administered by the park district.

It is true that the park district's policy-setting board ideally should include a cross-section of the citizenry. Helping to provide this type of balance are the three holdover members.

Together with Paul Thompson, who has two more years to serve, and Henry Gabriel and Barry Loman, who have four years remaining on their present terms, we feel Mr. Hinterer and Mr. Patrick could form an alert, efficient, understanding and highly knowledgeable board.

The issue of justified special consideration for senior citizens serves adds to the argument for their election.

Difficult Decisions Face Pontoon Beach Voters on Tuesday

Pontoon Beach voters face difficult choices tomorrow, with two tickets actively seeking village offices.

It is an unusual election in that only one of the five incumbent officials is running for re-election. Most of the incumbents have endorsed the candidates of the Village Improvement Party.

Advocates of the competing People in Action Party include Namekoi Township Supervisor Louis Whittell, who resides in Pontoon Beach and represents that area on the Madison County Board. He favored the successful Truth in Action Party in the April 3 township election.

With two-year terms to be filled for

two of the village offices, we lean toward Floyd David Moss for president and Mrs. Corinne Kreher, wife of the retiring president, for clerk.

Three four-year terms on the board of trustees are to be filled. Among those who could serve well are Harold E. McBride, charter member of the village board, and Raymond L. Gaudette Jr. and Paul L. Bennett.

Regardless of the election outcome, we are hopeful that Pontoon Beach will be able to find ways to coordinate its programs with Namekoi Township, Madison County and other governmental agencies in ways that may foster the provision of economical community services.

Incumbents Recommended in Tomorrow's Venice City Election

In the last issue we endorsed for re-election in tomorrow's balloting Venice Mayor John E. Lee and Madison Mayor Mike Sasyk, the latter unopposed.

Also unopposed in the City of Madison are City Clerk John Bellotti, Hilbert Hoekstra, candidate for city treasurer, and Aldermen Robert Don Reeves, Richard L. Kiser, Raymond Kozielek, Christ Costello and Booker T. Walton of the First through Fifth Wards.

The only Venice candidates without opposition are First Ward Alderman

Harry Buente and Second Ward Alderman Hank Sved.

Our recommendations for contested Venice offices include William M. Ebersold, who has held the office of city clerk for 19 years and is a re-election; Alderman Henry Baucum, city treasurer candidate, whose service in public office has included 12 years on the Madison Board of Education.

Third Ward Alderman John Ervin, a member of the City Council for six years; and Tyrone Echols, Fourth Ward alderman candidate, a local resident for 33 years.

This kind of scrutiny by school officials and the public, if done constructively and openly, can foster both increased confidence and improved performance.

Vote Stresses School Continuity and Scrutiny of Spending

Congratulations are in order for the seven winners in Quad-City school board elections Saturday, including newcomers Norman Hall in the Granite City community unit district and Donald Boyer in the Madison district.

Although five incumbents also were elected and deserve similar congratulations, there was considerable dialogue in the campaigns indicating that voters were not wholly endorsing the status quo.

Winter Wonderland

Air Pollution Fought Here With 'First Anywhere in World' Devices

(First of two columns)
Environmental quality control occupies much of Granite City Steel Company's attention and requires considerable innovation.

In instances where proven technology does not yet exist to suppress certain types of pollution, the company is "inventing" its way toward the desired solutions. Some already have been achieved.

As officials see it, coke ovens are the steel industry's main remaining source of air pollution control problems, and important progress is being made.

Coke is the fuel used to reduce iron ore to iron in the blast furnaces. It is produced by the controlled heating of blends of low sulfur coal in long, narrow ovens without enough air present for the coal to burn.

Seventeen tons of coal are funneled or "charged" via hoppers on the charging car into each of the slot-type ovens through holes in the oven tops. The coal roasts in the ovens at about 1,800 degrees, F.

As the coke is heated, it produces a gas which is used in the coking process, the coal can burn. But it does lose some of its organic properties as a result of the intense heat, and releases a portion of its weight in the form of gases.

This byproduct gas is piped to a recovery plant just north of the coke ovens and is cooled and separated. Almost half of the recovered gas is used again to heat the coke ovens. The excess is used as fuel for slag-making at the sinter plant and for steam generation.

Various chemical recovered in the process are sold to processors for use in fertilizers and in making dyes, plastics, pharmaceuticals and other products.

What went in the top of each coke oven as 17 tons of pulverized coal is pushed out the end of the slot-type oven as 12.3 tons of fresh coke.

Each batch, or "push," of new coke is quickly cooled, or "quenched," with hundreds of gallons of water.

In the making, the air pollution potential is greatest during the charging process. Smoke caused when the coal reaches the oven walls can escape from the open charging hole.

An advanced automatic environmental system under construction at Granite City Steel is expected to greatly reduce such emissions.

Almost half of the recovered gas is used again to heat the coke ovens. The excess is used as fuel for slag-making at the sinter plant and for steam generation.

The FORUM

SHRINE, KC COOPERATING TO GIVE BENEFIT DINNER

In regard to Mr. Partney's statement about the "lodge" and the "Knights of Columbus," quick statements of this nature tend to make enemies.

At this time of our lives, whenever two organizations like the Shrine and the Knights of Columbus can get together to raise funds for their charitable purposes, we do not need to make enemies.

On July 8, 1973, we will have another joint dinner to help raise funds for the Shrine burn transportation unit and the Halfway House for the Retarded.

For one, certainly hope the members of the Knights of Columbus do not take this statement as a general feeling from all Shrines. This is not true.

For this reason, I hope our joint dinner this year will be the biggest success we have ever had.

As far as having Mr. Schuler as a member of the Knights of Columbus, he is a credit to our organization.

If all members of all organizations were like Mr. Schuler, you would not have to worry about any activity being a success; it would come naturally.

I purposely waited until after the election to write this letter so no one would misunderstand and take this as a political endorsement of either candidate.

Don't forget July 8, 1973. JACK TRITTSCHUH Grand Knight, The Shrine Council 1008, Knights of Columbus 294 Emmet Ave.

PONTON BEACH ISSUES DESERVE CAREFUL STUDY

The candidates of the Village Improvement Party have set forth goals and objectives for the betterment of the village of Pontoon Beach.

They have placed these objectives before the public through the newspaper. We have refused to become a part of a low-level campaign in order to be elected.

The People in Action party has publicly announced few goals and objectives and, for all we know, they will look at their history of association with Whittell. Look at the records of the candidates of the People in Action party.

Each candidate for the office in the Village Improvement Party has held offices contributing to the betterment of the village.

We have, through these offices, indicated our willingness to work for the betterment of the village of Pontoon Beach.

As a candidate for election on the Village Improvement Party for the office of village president, I urge the voters to study the campaign issues very carefully.

SESAME PROGRAM SENT A SHABBY SUBSTITUTE

I took my three sons, ages five, six and seven, Monday to the Granite City Public Library to participate in the visit of the well-known character, Big Bird, from Sesame Street.

I was as disappointed as my children when "Big Bird" appeared. He was not the tall, beloved figure my boys know. Instead, a local girl (I do not know her name) paraded forth in a shabby, home-made costume.

I have ever seen.

Needless to say, most of the

many children who attended were not taken in by this deception.

Everyone there, especially the parents, were outraged to find that they had been duped into believing that the real Big Bird would indeed visit the greatly excited children.

I realize that you are perhaps too busy to substantiate a small activity such as this, but I feel it should be brought to your attention. Your reporting, in the past, has been accurate and truthful.

Therefore, I believe you should be made aware of this great injustice to the children of Granite City.

I have also written two other letters of similar context to the Granite City Public Library and KETC-TV, Channel 9.

I am sure, in writing this letter, that I express the sentiments of the parents and children who were present.

BACKS JAKE HINTERER

On Tuesday, April 17, residents of the Granite City Park District will have the opportunity to vote for two park commissioners.

Jake Hinterer, one of the three candidates for the two positions, would be an excellent choice. He is an honest, well-motivated young man who has been involved in Park District programs and has a sincere desire to serve.

I believe the Park District would benefit by his election. JOE HASSLER 294 Emmet Ave.

SAYS PONTON TICKET PUPPET OF TOWNSHIP

I wonder if the voters in Pontoon Beach are aware that the candidates of the People in Action Party are merely puppets of the Truth and Action party, headed by Louis Whittell, Namekoi Township Supervisor?

What is the close association between those two parties that have admitted these candidates to become puppets? Will these puppets dance when Mr. Whittell pulls the strings?

Of course they will; look at their history of association with Whittell. Look at the records of the candidates of the People in Action party.

1. Thomas Elliott, candidate for village president, Mr. Elliott is a longtime supporter of Mr. Whittell and was employed by Namekoi Township as the mosquito abatement officer during the summer of 1972.

This is the same Mr. Elliott who made the statement that he was not a village president if he was not selected to run on the township ticket. Do we want a village president who is a "second choice" of Mr. Whittell?

Do we want a village president who is using us to further his own political ambitions?

2. William Luchini, candidate for trustee. Another man who was employed by Namekoi Township as the mosquito abatement officer during the summer of 1972.

This is the same Bill Luchini who resigned from the Pontoon Beach police force and now wants to be elected trustee and appointed as chairman of the police committee on the Board of Trustees.

3. Harold McBride, candidate for trustee. Mr. McBride is a Republican precinct committee man and is tied with Mr. Whittell through association.

He is not a staunch longtime supporter of Mr. Whittell and Namekoi Township policies.

4. Gilbert Yunger, a candidate for trustee. Since filing for this office, this man has moved from the village and is not eligible to hold office, although his name remains on the ballot.

However, this does not alter

50 Years Ago Costley Again Heads School Board

In the Granite City Elementary District Union-126 election held at Emerson School, John W. Costley, incumbent, was chosen as president of the board, defeating John H. Kleinschmidt 382 to 254. Board members elected were Jeremiah Odum, John Bovard, Brinyou, Rodman and Charles E. Jackson. Three were incumbents, and Jackson fills the post vacated by Kleinschmidt. Robert H. Lerner, unopposed, was re-elected to the Community High School District board.

25 Years Ago Spirited County Primary Election

There was little voting but spirit aplenty in the Madison County primary election. Democratic nominations went to C. W. "Bill" Burton for state's attorney and Ben F. Staten for coroner; they will be opposed in the fall by Republicans Virgil M. Jacoby and Frank Mercer. Statewide, Democrats Paul H. Douglas and Gordon Stevenson were nominated to face Senator C. Wayland Brooks and Governor Dwight H. Green.

MR. AND MRS. EMIL J. KLUG JR. They were united in marriage at Central Christian Church in an early evening ceremony. The bride is the former Carol Sue Dorsch, a daughter of Mr. and Mrs. Norman Dorsch, 2532 Delmar Ave.

Central Christian Scene Of Klug-Dorsch Wedding

The wedding of Miss Carol Sue Dorsch, a daughter of Mr. and Mrs. Norman Dorsch, 2532 Delmar Ave., and Emil Klug Jr., 2532 Delmar Ave., was solemnized at 6 o'clock in the evening of March 24 at Central Christian Church.

A double ring ceremony was performed by the Dr. L. Jim Anthis. The church organist played "The Lord's Prayer" and "We've Only Just Begun" prior to the arrival of the wedding party.

Given in marriage by her father, the bride wore an ivory satin gown designed in Empire style. Long puffed sleeves with wide cuffs were set into the fitted bodice, featuring a high neckline created of pink ribbon and lace beading. Vertical rows of the insertion lace and ribbon accented the bodice, marked the high waistline and encircled the hem of the slightly gathered skirt that extended into a chapel train.

An ivory satin bow and flowers formed the headpiece to secure her shoulder-length veil and she held a bouquet of pink and ivory rose buds and baby breath.

Matron of honor, Mrs. Mormae Prosser, and bridesmaid, Mrs. Donna Dorsch, both sisters of the bride, and the flower girl, Angela Prosser, the bride's niece, were dressed in identical gowns.

Their frocks were fashioned in pink with sugar beet velvet collars. The sleeves were long and full and their gowns had A-line style skirts.

The honor attendant wore a shoulder-length veil held in place with a pink velvet bow and the bridesmaid and flower girl had pink velvet bows in their hair.

Cascade bouquets of assorted flowers with baby breath were carried by the adult attendants and the flower girl held a white wicker basket filled with flower petals.

Attending the groom as best man was Jim Schardard, Ron Hatcher was groomsmen and Robert Prosser and Joe Dallas served as ushers.

The rehearsal dinner was given at the home of the bride's parents.

If you were born between March 21-April 21 you are an ARIES.

NEWCOMERS' CANASTA The Newcomers Canasta Club met at the home of Mrs. Betty Alexander of the Holiday Mobile Home Park.

Prizes went to Mrs. Sarah Repp, first; Mrs. Mary Jane Hart, second; and the hostess, consolation prize.

Guests for the evening were Mrs. Bobbie Shee and Ed Hart and Chuck Alexander. Members present were Mrs. Toni Wilson, Mrs. Wanda Bartling and the prize winners.

The next meeting will be at the home of Mrs. Donna Jones.

GC Steel Women Elect Officers

Mrs. Peggy Stevens, a guest speaker, presented a talk on interior decorating at a meeting of the Granite City Steel Women's Club held last week in the general offices cafeteria. An election of officers also took place.

Mrs. Stevens used samples of wallpaper and carpeting to show various color combinations for use in decorating homes.

Elected to serve in 1973-74 were Dorothy Rushing, who was named president; Peggy Solberger, vice-president; Jean Lybarger, recording secretary; Nellie Dierker, treasurer; and Margie Burkhardt, corresponding secretary.

Small baskets of spring flowers were used as the table centerpieces and later were awarded as prizes to Betty Goldschick, Pat Malark, Virginia Johnson, Nancy Egle, Muriel Fossick, Wanda Schewe, and Theresa Morgan.

The program was arranged by GCS retirees who are members of the women's club. Mary Corday served as chairman and her committee included Evelyn Maxwell, Beth Davis, Esther Foeshe, Ruth Huxel, Ethel Mueller, Florence Riedle, Elsie Walker, Myrtle Zabel, Irene Spillers, Elsie Hawk, Mildred Hess and Verna Lengel.

Birthing Seeks More Volunteers

Members of local Methodist churches and the Salvation Army were welcomed as new members of the Birthing of Quad-Cities organization at a meeting held last week.

Plans were made for a training session for volunteer workers and a request for baby clothing and furniture was reported.

The Knights of Columbus will sponsor a fund raising project April 29 at St. Elizabeth Church, with proceeds to be donated to the Birthing organization.

Members of Birthing hope to offer person-to-person help, giving understanding and moral aid as well as practical support to expectant mothers who request it," a spokesman for the group commented.

Persons residing in the Quad-City area willing to volunteer a few hours a week to aid the group are asked to call 877-1174 for information.

Roundtable Sets Scout Events

The Uniwah District of the Cahokia Mound Council held its monthly Roundtable meeting last week at the Nameoki Recreation Center with Mrs. Nadene Taylor in charge. The meeting opened with members of the audience reading from cards spelling "Nature" followed by the pledge of allegiance.

Mrs. Pat Shable of the Roundtable staff led individual groups in playing games.

Mrs. Vee Thorne of Pack 19, Washington School PTA, led the group in singing several songs, assisted by Mrs. Darlene Smith.

The theme "Things That Grow and Forester" was explained by Doi Cathey of the Roundtable staff.

Mark Yehling, district executive, announced that the Cub Theme Fair will be held April 14 from 2 to 4 p.m. at St. John's United Church of Christ.

At that time, all unit leaders and prospective leaders can view the Cub Scouts at one time, complete with skits, handicraft and opening and closing ceremonies.

This will take the place of the former Pow Wow listed on the training cards. Those working for training awards should attend this affair.

It was announced that Cub Day Camp will be held from July 10 to 13 with the scouts going to SIU, Pere Marquette State Park, Fort DuCharters and Camp Sunnen, respectively. The boys are to take a buddy who is not a Cub Scout.

The cost will be \$5 per boy and the parents are to bring a lunch each day, except when they go to Fort DuCharters where they will have a cook-out.

During a handicraft session the ladies made worms and bugs from strips of plastic and soda pop-top rings. They were instructed by Mrs. Taylor.

Each of the ladies who brought plants or handicraft explained them to the group.

The men discussed plants and leaves with Rich Foote of Pack 108, Lake School PTA, and Wilson Ramsey, of Pack 122, Wilson School PTA, in charge.

Next month's meeting will be held at the Nameoki Recreation Center May 8, at 7 p.m. The theme will be "Flags of America" for Cub Scouts and "Travel" for the Webelos.

Cloverview Club Plans Events

Mrs. Darie Deremo, 3201 Erin Drive, was hostess to members of the Cloverview Garden Club in her home last week. A 12:30 dinner luncheon was served to Mesdames Fred Orr, John Orr, Kenneth Brokaw, Joseph Ochoa, Charles Gandorfa, Leo Roman, John Lentz, B. C. O'Neill, Richard Branding, Robert McCauley, a guest Mrs. Robert Lovins and the newly installed president, Mrs. William Bradley, who later conducted the business meeting. Mrs. O'Neill read the club collection.

Plans were formulated for the new Year Books and the study for the programs will be on "Terrariums." A workshop on the subject will be held May 8 at the Nameoki Recreation Center with Mrs. Ochoa as hostess.

Members are to bring plants and containers.

Mrs. Bradley recently attended the District V organization meeting in the home of the director, Mrs. B. J. Iselhardt, Edwardsville, when district chairmen were appointed for the coming year.

Affiliated with District V are garden clubs from Granite City, Edwardsville, Collinsville, Cahokia, Belleville, O'Fallon, Lebanon, Mascoutah and East St. Louis.

Announcement was made of an all day institute of District V on Thursday, April 26, in St. Peter's Evangelical United Church of Christ, Granite City, with the Gardennaires Club hosting the event.

A covered dish luncheon will be served at noon. Also flower shows will be staged by St. Clair County Club on May 15 at Fischer's Restaurant in Belleville and on May 19 and 20 by Mascoutah Garden Club in Mascoutah.

You're going to cool your air this summer.

(So why not clean it... and really air condition?)

Face it. Cool air is not necessarily clean air. And the clean air difference in your cool air system is a Honeywell Electronic Air Cleaner. Without it, your air conditioning system just isn't complete. The Honeywell clean air machine traps up to 98% of all the pollen... and up to 95% of all the smoke, dust and other airborne particles passing through it.

So when you get for cool air in your home, don't do just half the job. Be sure to get clean air, too... with the Honeywell Electronic Air Cleaner.

You'll breathe cleaner. Your air conditioner will work more efficiently. Your house will stay cleaner, longer too... with the Honeywell clean air machine.

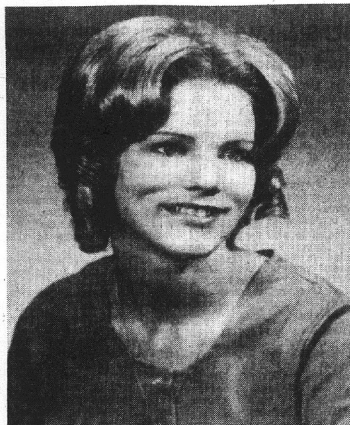

The Honeywell clean air machine. It fits right in the ductwork. And you enjoy the clean air benefits all year round... during the heating, cooling and in-between seasons.

and other thoughts on getting more comfort for your heating dollars

- ☐ If your heating bills seem to be going through the roof every winter, that's probably because most of the problem is, because without proper insulation, you're spending money to melt snow off your roof and keep birds warm.
- ☐ Proper insulation pays for itself quickly and will save you important money every year thereafter.

- ☐ The home needs an all-around blanket of insulation beneath the roof, in all outside walls and under floors over unheated areas. An insulation contractor will recommend the proper type and thickness.
- ☐ Proper insulation saves on air conditioning as well as heating costs. It helps maintain a comfortable level of humidity and results in a quieter home.

Emphasis on Village's Needs Pledged by Moss

Village rather than township emphasis was pledged today by Floyd David Moss, one of two candidates for the P. o. n. t. o. n. Beach Village presidency tomorrow.

His statement was made on behalf of the Village Improvement Party ticket.

"The Village Improvement Party has made every effort to level above the 'fifth and street fighting' that all too frequently occurs during a political campaign," the statement said. "Not once have we stooped to degrade our opposition."

"Not once have we made derogatory statements against any of the party seeking election. We have a good, solid, campaign platform."

"We do not believe it is necessary or in good taste to reduce a campaign to low levels in order to obtain votes. Such an act can only be termed an act of desperation on the part of our opposition, a last-ditch effort to get votes."

"We have spoken to the newspaper many times during this campaign, always emphasizing progressive actions to be taken for the betterment of the village. This is why we are seeking election to the offices of the village."

"Voters these days are too sophisticated to be taken in by 'garbage' issued at the last minute to obtain votes."

"Look what happened in the recent Granite City election when such tactics were used. The people had enough sense to see through the charges and to make a selection of candidates based on their merits."

"We believe that some quotes from the editorial page of a recent issue of the Press-Record sum up our feelings well."

"We quote: '... Most of the aspirants have been sincere and essentially fair in their approach. A few have taken the position that if I lose, I'm going to carry as many as possible other people and their reputations crashing down with me.'"

"To various candidates have a right to blacken the public image of opposing candidates and a lot of innocent bystanders? Is desire for victory sufficient justification for any extreme or conduct?"

"Untruths can and should be avoided. The

the Clerk of the Circuit Court in Madison County on Dec. 21, 1971.

"It was their recommendation that the state's attorney file the necessary papers for contempt of court charges against the three voters primarily involved in this investigation. This was done, with a contempt of court charge being filed against Louis Whitsell and two others."

"This has long been a matter of public knowledge, having been widely published in many newspapers. The charge made by Mr. Whitsell that the 'grand jury action was initiated by some non-existent Citizens Improvement Association is completely ridiculous.'"

"The charge was made that Mr. Moss's own organization, the Citizens Improvement Association, did not support him as a candidate."

"Mr. Moss did not receive the endorsement of this organization. If there is one, because he has never been a member of such an organization."

"Mr. Moss was a member of the Community Improvement Association."

"The candidates of the Village Improvement Party are not opposed to township cooperation. They are opposed to township rule by Mr. Whitsell."

"They believe that citizens of Pontoon Beach are who are the city they entitled to elected officials serve first and foremost, and are entitled to have of their own."

"We could go on indefinitely, picking apart the charges that have been made against us, an answering them one by one. We do not believe this is necessary or essential to our being elected."

"We have placed our campaign before the public. Some have been ridiculed, some have been pitted with a 'me too' attitude on the part of our opposition."

"We believe the voting citizens will see through the last-minute attempts to discredit us to matter what methods they use against us."

"We are proud that the Village Improvement Party has refrained from becoming a part of a gutter campaign."

"We are proud that when all the candidates of the public will know that this is the only way to conduct a campaign and will elect the party that does refuse to indulge in 'gutter tactics' in an effort to win an election."

Services Expanded at Family Planning Clinic

Two clinic sessions conducted by a physician now are being held at the Family Planning Clinic, 1328 Niedringhaus Ave. It was announced today.

Medical examinations are available from 1 to 4:30 p.m. Tuesday and Thursday. Appointments are required in advance and may be made by calling the clinic at 651-9133 or 876-0485.

Previously, the physician was available at the facility on Tuesdays only, according to Mrs. Martha Hogan, R.N., project director. She noted, however, the clinic is open for consultations, interviews and referral services each weekday from 8:30 a.m. until 5 p.m.

Pregnancy testing and venereal disease screening also are offered at the Family Planning Clinic, the first of its type to be established in the Quad-City area.

The family planning program includes providing approved methods of contraception consistent with patient choice and acceptance, the director added.

The clinic is funded with grants from U. S. Department of Health, Education and Welfare and the U. S. Office of

Economic Opportunity. The Madison County Economic Opportunity Commission is responsible for the clinic's operation here.

Miss Arlene Klug and Philip Sitze Are Wed

Urns of fresh spring flowers used with palms and lighted candles in branched candelabra decorated the altar of Hope Lutheran Church to provide the setting for the wedding Saturday evening of Miss Arlene Lucille Klug and Philip James Sitze.

Officiating at the double ring ceremony at 7 o'clock were the Rev. Robert E. Wobrock of Alhambra, Calif., and the Rev. J. Louis Gelling, pastor of the local church.

The bride, who has been residing in Alhambra, Calif., is a daughter of Mr. and Mrs. Charles Klug, Rural Route One, East Alton, Mo. Sitze is a son of Mr. and Mrs. Estel Sitze, 206 South El Molino, Alhambra, Calif.

Robert Sitze, a brother of the groom, presided at the organ for Mrs. Alice Land, who sang "O Perfect Love," "The King of Love My Shepherd Is" and "The Lord Bless You and Keep You." The organist also played the processional "Trumpet Voluntary" and "Sheep May Safely Graze" and the recessional "Holy Ghost We Praise Thy Name."

Serving as acolytes were Charles Davis, a cousin of the bride from Marshfield, Mo., and Craig Soehnlin of Granite City, Mo. Mr. Klug escorted his daughter down the white carpeted aisle and gave her in marriage. She selected a bridal creation of sheer organza and peau d'ange lace designed in princess style.

Long sheer sleeves, tightly cuffed with tiny buttons, were set in the molded bodice featuring a scoop neckline. Seed pearls and sequins were applied at random on the bodice and handclipped lace trim edged the hemline of the long full skirt.

She wore a bandeau of Venice lace flowers to hold in place a cathedral-length veil and she carried a bouquet of white carnations accented with a red rosebud corsage.

Attendants included Mrs. Mary Ruth Hanks, matron of honor, a sister of the bride, and bridesmaids, Mrs. Cheryl Joutti, Miss Jane Goss and Mrs. Donna Boyd.

They chose formal-length dresses made in Empire style of light blue polyester sheer. Schiffl embroidery and Val lace trimmed the high necklines and accented the high rise waists.

Each wore pale blue flowers in her hair to secure a matching veil. The honor attendant held four long stem red roses and the bridesmaids carried three roses each.

Beth Ann Mueller, the flower girl, was dressed in a frock similar in style to the adult attendants' dresses. Don Ruth served as the ringbearer.

Paul Sitze, a brother of the groom, was best man. Richard and Roger Worm and James Klug, cousins of the bride, William Hanks, a brother-in-law of the bride, and Dan Boyd com-

Mrs. Philip J. Sitze, the former Miss Arlene Lucille Klug, who was married Saturday evening at Hope Lutheran Church. She is the daughter of Mr. and Mrs. Charles Klug of East Alton.

Nature, Travel Sorority Topics

Mrs. Mary Herr, Florissant, Mo., entertained the Xi Epsilon Chi Chapter of Beta Sigma Phi in her home last week. Plans were made to attend the annual convention held at SIUE Saturday and a Founder's Day banquet April 30.

Mrs. Jeon Druhe reported on a successful party held in Warden. Mrs. Arlene Haldean reported on a Sorority City Committee meeting and said the new officers are Mrs. Imogene Forrest, president; Mrs. Julie Gates, vice-president; Mrs. Donna Sprankle, recording secretary; Mrs. Ellen Wilson, corresponding secretary; and Miss Barbara Wagoner, treasurer.

Miss Ruth Soyanooff led the group in a discussion of "The Marvels of Nature" and all told of some of their travel.

Mrs. Betty Ebling and Mrs. Herr won prizes for the evening. Also present were Mrs. May Ebling, Mrs. Forrest and Mrs. Evelyn Tolliver.

Holy Services at Central Christian

The Easter celebration of Central Christian Church (Disciples of Christ), 2020 Johnson Road, will begin at 7 p.m. Maundy Thursday with a service in the church's Terrace Room and continue in thought through Easter Sunday services at 10:45 a.m. it was announced today by Dr. L. Jim Anthi, minister.

A Maundy Thursday communion meal will begin sharing of life together through music, contemporary litany, and the Lord's supper.

Following the supper, the congregation will move to the church patio for a time of contemplation, in which the moments of the crucifixion are to be experienced and reflected upon through the use of multimedia techniques on the question of "How Do I Crucify the Spirit of Christ?"

Ralph Corbeys Mark Golden Anniversary

Mr. and Mrs. Ralph Corbey, 2400 Sheridan Ave., were guests of honor at a family gathering last week in honor of their 50th wedding anniversary.

Mr. Corbey and his wife, the former Leona Wertheis, were married April 11, 1923, at the parsonage of St. Peter Evangelical United Church of Christ by the late Rev. Robert Kolter.

They were attended by the bride's brother, the late Roland Wertheis, and her sister, Mrs. Marie (Wertheis) Whittle, the latter of Granite City who attended the affair.

Others who attended were the honoree's children, Mr. and Mrs. Lynn (Jean) Edwards of Bloomsdale, Mo., Mr. and Mrs. Vernon (Ruth) Morris of Granite City and grandchildren, Mr. and Mrs. Ronald Butkovich, Mr. and Mrs. Michael Williams, Lynn (Elaine) and Maria Jean Edwards of Bloomsdale, Mo., and four great-grandchildren, Jason, Tana and Patrick Butkovich and David Williams.

Many relatives and friends visited the Corbeys' throughout the week, presenting them with gifts, cards and flowers.

Good Friday Services Set

The Rev. William Fester, pastor at Nameoki United Methodist Church will deliver the sermon at the Community Good Friday Service at Worship, to begin at noon at the First United Presbyterian Church, 22nd Street and Delmar Ave.

The Rev. Dr. David Maxton, host pastor and the Rev. Donald Bogue, pastor at the Madison United Methodist Church and president of the Quad-Cities Ministerial Association will serve as Liturgists. The Quad-Cities Ministerial Association is sponsoring this community worship for all residents of the Quad-City area.

The Granite City High School Music Department will provide special music for the worship, under the direction of Louis Meek.

Each year the Ministerial Association plans the special Good Friday Service for one hour at noon to enable as many residents to attend during their lunch hour.

An infant child care will be provided. Further information may be obtained by calling First Presbyterian Church, 578-812.

When you work for yourself, you don't have to worry about layoffs.
If you're tired of working for other people, maybe it's time to step out on your own. It takes drive and determination to be a Shell dealer, but look at what you get.

You're your own boss. Leading your own team. Running your own store. The most successful Shell dealers make over \$50,000 a year. Of course, some hard work and long hours but it can be done. And look at the benefits Shell makes available to its dealers.

1. Group Life Insurance
2. Hospital/Surgical/Medical Coverage
3. Retirement and Investment Plan
We're looking for more Shell dealers. Prior or related experience, while helpful, is not necessary. More qualified dealers than weeks of mail training. Available in Granite City Area. For more information write J.C.

News Notes

A vote could occur at any time in the Illinois Senate on beer and wine sales to 19-year-olds, already passed by the House and approved 8-6 last week by the Senate Judiciary Committee.

Supporters and opponents of Mrs. Mary Lee Leahy as state Environmental Protection Agency director are marshaling their forces for April 24, when her confirmation may be considered. The Senate Executive Committee postponed action after conferring with her last week.

She has opposed Mayor Richard Daley in earlier Chicago issues. It is believed that Daley Democrats are trying to persuade Gov. Daniel Walker to come to terms with Chicago leaders on several matters of disagreement.

Continued service by Ted Todoroff as Madison County civic defense director is being opposed by James J. McGee, Alton, a County Board member, who alleged last week that funds were spent for non-essential travel. McGee was critical of attendance at a CD conference in Michigan March 30-31; Todoroff says he devoted 16 hours a day to the successful spring.

The Illinois Senate approved 30-13 Thursday a bill banning the state public instruction superintendent from requiring transportation of pupils to achieve minority balance in any school.

The East-West Gateway Regional Forum is urging opposition to proposed federal regulations requiring states and localities to pay the full \$300 million cost of a new Mississippi River lock and dam south of Alton. Federal proposals also call for toll charges for river users.

The Illinois House voted 95-56 Thursday to provide the death penalty for eight types of murder, including

Rainfall Totals .75 Of Inch on Weekend

Three quarters of an inch of rain fell in the Quad-City area during the weekend, bringing to 1.45 inches the total fall so far this month.

A fall of .45 of an inch Saturday night and early Sunday was recorded yesterday at the weather station at the Chain of Rocks Canal, while an additional .35 of an inch was registered through Sunday and early today.

This month's total rainfall through Sunday is slightly less than half of the normal fall of 3.71 inches for the month of April.

A total of 8.02 inches of rain has been recorded thus far this year with 1.08 inches in January, .58 of an inch in February, .491 inches in March and the 1.45 inches during the first half of this month. Normal fall for that period is 8.21 inches.

during a kidnap or hijacking, in the course of a forcible felony, for hire and murder of police or firemen.

The federal government has decided to release all previously imposed impact-aid funds for school districts. It was disclosed Friday. Districts like many in this area receive special funds due to the impact of non-taxing federal institutions which employ persons with children of school age.

Public employee collective bargaining including strike authority fell 13 votes short of passage in the Illinois House Thursday. A bargaining bill with a strike ban was virtually killed by referral to a subcommittee of the Illinois Senate Industry and Labor Committee.

Cahokia Downs race track will open its 75-day racing meet on schedule tomorrow, the Illinois Racing Board decided in a meeting Friday at SIUE. Chairman Anthony Scariano said the board had no choice due to the Illinois Supreme Court's refusal to stay a Madison County Circuit Court order directing the board to issue a license. An appeal of the lower court order is pending.
